**Responsive Literacy Coaching** Cheryl Dozier, 2006 In *Responsive Literacy Coaching* Cheryl Dozier draws on twenty four years of experience as an elementary classroom teacher and teacher educator to present both a theoretical framework and practical tools to enact responsive literacy coaching Through thoughtful and purposeful coaching teachers learn effective ways to improve literacy instruction and student achievement The range of tools offered in the text invite customization based on the reader s specific instructional context This framework empowers literacy coaches and teachers through conversation sustained engagement and reflective analysis Dozier argues that at its best literacy coaching is responsive collegial thoughtful thought provoking deliberate reflective and transferable In this book she invites readers to enter into a coaching dialogue through vignettes that bring coaching interactions to life prompts to engage both teachers and students occasions for collaborative reflection frequently asked questions As literacy tasks are documented and analyzed coaching interactions logged and categorized and assessment scores scrutinized Dozier cautions coaches to avoid being so caught up in the doing of coaching that one forgets the purpose behind it In this book she provides an occasion for them to step back and ask what is the goal of literacy coaching What kind of literacy environments and experiences are we creating for our schools and our students What is possible as we engage in transformative literacy practices While the tools offered in this book do not provide a quick fix they foster critical thinking and sustained inquiry that leads to positive change for both teachers and students

*More Than Guided Reading* Cathy Mere, 2005 Is there too much emphasis on guided reading in primary classrooms It s a question that many educators like kindergarten teacher and literacy coach Cathy Mere are starting to ask Guided reading provides opportunities to teach students the strategies they need to learn how to read increasingly challenging texts but Cathy found that she needed to find other ways to help students gain independence While maintaining guided reading as an important piece of their reading program teachers need to offer students opportunities during the day to develop as readers to learn to choose books to find favorite genres and authors and to talk about their reading In *More Than Guided Reading* Cathy shares her journey as she moved from focusing on guided reading as the center of her reading program to placing children at the heart of literacy learning not only providing more time for students to discover their reading lives but also shaping instruction to meet the needs of the diverse learners in her classroom By changing the structure of the day Cathy found she was better able to adjust the support she was providing students allowing time for whole class focus lessons conferences and opportunities to share ideas as well as reading from self selected texts using the

strategies skills and understandings acquired in reader s workshop The focus lesson is the centerpiece of the workshop It is often tied to a read aloud and connected to learning from the previous day helping to build skills extend thinking and develop independence over time This thoroughly practical text offers numerous sample lessons questions for conferences and ideas for revamping guided reading groups It will help teachers tweak the mix of instructional components in their reading workshops and provoke school wide conversations about the place of guided reading in a complete literacy curriculum
