Guidelines Narrative Essay:

A+ *Guide to Narrative Essays* Alison Plus, 2015-07-07 Just tell a story the teacher said It will be fun Yet the student stares at a blank screen uncertain what to write and it s far from a fun experience The narrative essay a personal form of storytelling about true experiences requires the writer to abandon familiar tools such as topic sentences thesis statements and supporting authority But this doesn t mean the writer should just type words until the pages are filled Rambling freeform narratives are not what most writing instructors hope to see There is a better method and it can be found in this short booklet This booklet explains everything the writer needs to generate a successful narrative essay in step by step fashion Starting with a story goal proceeding through a timeline and finishing with two targeted paragraphs this booklet will turn a blank screen into a finished paper Table of Contents How to Use This Booklet What is a narrative essay Special Note Regarding Use of the Word Narrative Assignment Analysis beginning middle end outline the event on a timeline Thesis the Goal Beginning the Setup Premise Theme Characters Your point of view Middle Events on a timeline Action Dialogue Description A Special Note About Paragraphing A Special Note About One Exception to the Timeline A Special Note About the Second to Last Paragraph End the Resolution how you changed how things changed Proofreading Here s what students have said about this method This made it all seem really easy I thought I should just write about what happened If I had done that I would have left out some important things Thanks for showing me what was missing Whew I tried this and wrote my paper in record time
