Guinevere's Gift Nancy McKenzie, 2008-02-12 On the night of Guinevere's birth there was a prophecy that foretold she would one day be highest lady in the land and wed to a great king But 13 years have passed and the prophecy couldn't be further off Guinevere is now an orphan and a ward of her aunt and uncle the king and queen of Gwynedd Tomboyish and awkward Gwen is no great beauty and nobody takes the prophecy seriously especially not Gwen But then one day Gwen meets a strange young man in the woods who claims to be part of an ancient tribe whose mission is to guard and protect her Then she stumbles across a sinister plot brewing within the castle walls one she alone might be able to prevent Guinevere is beginning to realize her destiny is more complex than it seems and this is only the beginning **The Dark Fantastic** Ebony Elizabeth Thomas, 2020-09-22 Winner 2022 Children's Literature Association Book Award given by the Children's Literature Association Winner 2020 World Fantasy Awards Winner 2020 British Fantasy Awards Nonfiction Finalist Creative Nonfiction IGYTE Award given by FIYACON for BIPOC in Speculative Fiction Reveals the diversity crisis in children's and young adult media as not only a lack of representation but a lack of imagination Stories provide portals into other worlds both real and imagined The promise of escape draws people from all backgrounds to speculative fiction but when people of color seek passageways into the fantastic the doors are often barred This problem lies not only with children's publishing but also with the television and film executives tasked with adapting these stories into a visual world When characters of color do appear they are often marginalized or subjected to violence reinforcing for audiences that not all lives matter The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction Grounded in her experiences as YA novelist fanfiction writer and scholar of education Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century Bonnie Bennett from the CW's The Vampire Diaries Rue from Suzanne Collins's The Hunger Games Gwen from the BBC's Merlin and Angelina Johnson from J K Rowling's Harry Potter Analyzing their narratives and audience reactions to them reveals how these characters mirror the violence against black and brown people in our own world In response Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and Afrofuturism to reveal new possibilities Through fanfiction and other modes of counter storytelling young people of color have reinvisioned fantastic worlds that reflect their own experiences their own lives As Thomas powerfully asserts we dark girls deserve more because we are more **Read On...Speculative Fiction for Teens** Jamie Kallio, 2012-08-14 This guide offers exciting new reading paths for students who enjoy fantasy science fiction and paranormal themes With over 350 titles organized into their primary appeal characteristics and scores of thematic lists librarians and educators will benefit from lists of contemporary selections specifically written for teens Interest in teen fiction has grown in popularity in the last decade especially within the fantasy and paranormal genres This timely guide is one of the few books on the subject that lists titles that are written specifically for teens Read On Speculative Fiction for Teens features popular
