Hadji Murad Short Leo Tolstoy:

Hadji Murad Leo Tolstoy, 2023-06-17 In this short novel Tolstoy fictionalizes the final days of Hadji Murad a legendary Avar separatist who fought against and later with Russia as the Russian Empire was struggling to annex Chechnya and the surrounding land in the late 1840s The novel opens with the narrator finding a thistle crushed in a blooming field which reminds him of Hadji Murad and his tragic tale As the narrator recounts the story the reader is quickly thrust into the rich colorful history of the Caucasus and its people's fight against Russian imperialism Hadji Murad is portrayed as a legendary and imposing yet friendly and approachable figure Despite his reputation it seems that his best days are behind him as the novel opens Murad is fleeing Shamil a powerful imam who has captured Murad's family Murad finds himself thrust between the invading Russians on one side and Shamil's vengeance on the other As Murad and his tiny but loyal group of warriors try to forge alliances in their attempt to rescue Murad's family they quickly find themselves politically outclassed The Russians are Murad's enemies yet only they can help him in his struggle against Shamil and after years of losses incurred by Murad's guerrilla tactics the Russians would like his help but cannot trust him Shamil on the other hand is a deep link to the region's complex web of tribal blood feuds, vengeance, reprisals and quarrels over honor He's one of the few powers left standing between the Russians and their control of the Caucasus but Murad having crossed him can't rescue his family from Shamil's clutches without the help of the Russians Murad's impossible position the contradiction between his legendary past and his limping dignified and ultimately powerless present and the struggle against a mighty empire by a people torn by internecine conflict form the major thematic threads of the novel The novel was one of the last that Tolstoy finished before his death and was only published posthumously in 1912 Tolstoy himself served in the Crimean War and the war scenes portrayed in the novel echo his personal experiences As the story progresses Tolstoy characterizes various real-life historical personalities besides Hadji Murad and Shamil including Emperor Nicholas I Mikhail Loris Melikov and Count Vorontsov Dashkov making this a fascinating piece of historical fiction Despite this being such a late entry in Tolstoy's corpus it has been highly praised by critics both contemporary and modern with the famous critic Harold Bloom going so far as to say that Hadji Murad is my personal touchstone for the sublime of prose fiction to me the best story in the world or at least the best I have ever read

Hadji Murat's family is being contained and controlled by the Chechen leader who abducted his mother, two wives and five children. Aside from the fact that Murat wants to save his family, he additionally wants to avenge the deaths of other family members. The story opens with Murat and two of his followers fleeing from Shamil, the commander of the Caucasian separatists who is at war with the Russians. They find refuge at the house of Sado, a loyal supporter of Murat. The local people learn of his presence and chase him out of the village. His lieutenant succeeds in making contact with the Russians, who promise to meet Murat. He eventually arrives at the fortress of Vozdvizhenskaya to join the Russian forces in hopes of drawing their support in order to overthrow Shamil and save his family. Before his arrival, a small skirmish occurs with some Chechens outside the fortress, and Petrukha Avdeyev, a young Russian soldier, bleeds out in a local military hospital after being shot. Tolstoy makes a chapter-length aside about Petrukha: childless, he volunteered as a conscript in place of his brother, who had a family of his own. Petrukha's father regrets this because he was a dutiful worker compared to his complacent brother.
