Prophets Male and Female ,2013-06-05 Because gender is an essential component of societies of all times and places it is no surprise that every prophetic expression in the ancient social world was a gendered one In this volume scholars of the biblical literature and of the ancient Mediterranean consider a wide array of prophetic phenomena In addition to prophetic texts of the Hebrew Bible the essays also look at prophecy in ancient Mesopotamia and early Christianity Using the most current theoretical categories the volume demonstrates how essential a broad definition of gender is for understanding its connection to both the delivery and the content of ancient prophecy Attention to gender dynamics will continue to reveal the fluidity of prophetic gender performance and to open up the ancient contexts of prophetic texts The contributors are Roland Boer Corrine Carvalho Lester L Grabbe Anselm C Hagedorn Esther J Hamori Dale Launderville Antti Marjanen Martti Nissinen Jonathan St kl Hanna Tervanotko and Ilona Zsolnay [Sermons in Zephaniah, Haggai, & Zechariah](#) R. J. Rushdoony,2023-06-09 We live in an age of practical atheism where men pay lip service to God and then do as they please Our time is marked by a failure to meet our responsibility while believing that nothing will happen that God will not judge His church as He's judged His people throughout history As we know judgment begins at the house of God because the church bears the greater burden of guilt for possessing the greater privileges of God's covenant grace salvation and courage We must take our lesson from Jerusalem of old to whom God sent prophets like Zephaniah Haggai and Zechariah to remind them of their covenant responsibility to provide the standard and word to the wicked nations around them In this volume R J Rushdoony brings out the two edged sword of God's law word through these three minor prophets to both warn and encourage us to greater faithfulness and ministry Like the faithful in ancient Jerusalem we can feel small marginalized and peripheral to history but Rushdoony reminds us that our security and effectiveness are determined by the God who controls history and not the evil machinations of men In this book is the message of hope that we desperately need right now To continue the great work of Christian Reconstruction we must walk by faith and not focus on the smallness of our efforts or our seemingly small results We must set our hearts and minds on the reality of God's promises and know that all power and dominion are in His hands What we cannot do God does not ask us to do What we can do God requires us to do We must stand in obedience to God and fulfill our responsibility to be faithful in our duty and calling as workers parents ministers and churchmen As heirs together of the grace of life 1 Peter 3:7 our obedience helps our prayers
