life clinical examples and group session transcripts *A Comprehensive Guide to Child Psychotherapy and Counseling* Christiane Brems, 2008-03-19 Christiane Brems an experienced clinician supervisor and educator presents a metatheoretical yet practical guide to working with children ages 3 to 12 years She draws heavily on developmental interpersonal family systems and self psychological schools of thought and integrates the core components of all of these approaches in a clear and concise manner She stresses the need for intensive assessment to precede conceptualization and treatment planning so that treatment techniques are dictated by the needs of each child and family Brems has contoured the third edition to meet the practical needs and expectations of students and practitioners Divided among four sections the chapters follow the logical development of clinicians mirroring the natural flow of work with children from the practitioners self exploration to learning about special aspects of children such as diversity and development to awareness about the special needs and demands of children as related to environmental legal and ethical issues Brems prepares clinicians to discover their own personal traits that may facilitate or hinder their work with children She walks child therapists and counselors through the initial stages of intake assessment and conceptualization The material on assessment instruments is thoroughly updated discussions refer to the latest versions of instruments and if new instruments emerged that meet one of the purposes deemed essential to child treatment they are included The text contains case examples each illustrating a specific therapeutic technique Handbook of Exposure Therapies David C.S. Richard, Dean Lauterbach, 2011-10-11 Exposure Therapy refers to any clinical intervention in which a client directly confronts a source of fear Since high levels of anxiety can not be maintained indefinitely repeated exposure leads to decreased anxiety This type of treatment is effective with phobias post traumatic stress disorder obsessive compulsive disorders panic generalized anxiety and several other disorders It s also been found to be effective in helping to treat substance abuse Although exposure based treatments have been extensively researched and reported in the literature there is no single comprehensive treatment of exposure therapies Writings tend to be limited to larger pieces on treating specific disorders or types of patients A comprehensive book on the use of these treatments across patient disorders will be of great use to practitioners The book is divided into three sections Foundation Applications and Issues Foundation chapters considers theoretical and assessment issues Applications chapters will discuss research literature on each disorder having been proven to be successfully treated with exposure therapy Issue chapters will discuss liability issues false memory syndrome and the use of computers and virtual reality in exposure therapy Covers the broad range of exposure therapies in one comprehensive source Provides an integrated look at exposure therapy across a variety of disorders Each such chapter will include a case study Blends literature review and practice guidelines ADHD in Preschool Children Jaswinder Ghuman, Hariwinder Ghuman, 2014 Attention Deficit Hyperactivity Disorder ADHD is one of the most frequently diagnosed psychiatric disorders in children and adolescents This book focuses on preschool age children and provides the most comprehensive and up to date information regarding assessment including diagnostic interview

neuropsychological testing comorbidity and differential diagnosis sleep problems and treatment interventions including psychosocial pharmacological and complementary and alternative treatments *Anthrax* Richard M. Swiderski, 2014-09-24 *Bacillus anthracis* anthrax had largely faded from public consciousness until it resurfaced as a terrorist weapon in 2001 It was always with us lurking in the soil and hosted by our livestock Long before it was identified as a specific bacterium in the late 1800s anthrax was a catchphrase for a variety of diseases and symptoms from ancient biblical plagues to a painful carbuncle on George Washington's leg Only when industrialization turned anthrax into a widespread disease that threatened economies did a true understanding of *Bacillus anthracis* begin to emerge This history of anthrax follows the development of our understanding of the disease beginning in the 18th century when science began breaking ground on the subject until the present when anthrax is feared more as an agent of biowarfare than as a health hazard harbored by the environment There are three appendices the first outlines the reaction of Manchester New Hampshire to the 2001 anthrax attacks the second documents workplace warnings to anthrax prone workers and the third lists novels that involve anthrax Bibliographical references are also provided Research in the Social Scientific Study of Religion, Volume 24 , 2013-05-30 Research in the Social Scientific Study of Religion continues to offer a place for the publication of theoretical and empirical papers related to the broad area of how the social sciences understand religion Two papers in the general section add important contributions to the fields of faith development and spirituality The use of special sections has enabled particular topics to be dealt with in detail and shows how information that is gathered incrementally can help make great advances in a field Spirituality alongside religion features as the key independent variable in many of the nine papers of the special section in this volume Social scientific approaches have sought to show links between the experiences of health well being or disease and individual differences in religiosity and or spirituality The Oxford Handbook of Health Psychology Howard S. Friedman, 2014-02 The Oxford Handbook of Health Psychology brings together preeminent experts to provide a comprehensive view of key concepts tools and findings of this rapidly expanding core discipline Flatfishes Robin N.
