**All The Songs** Philippe Margotin, Jean-Michel Guesdon, 2012-03-20 In this lively and fully illustrated work two music historians break down every album and every song ever released by the Beatles from Please Please Me U S 1963 to The Long and Winding Road U S 1970 All the Songs delves deep into the history and origins of the Beatles and their music This first of its kind book draws upon decades of research as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song the recording process and the instruments used Here we learn that one of John Lennon s favorite guitars was a 1958 Rickenbacker 325 Capri which he bought for 100 in 1960 in Hamburg Germany We also learn that Love Me Do recorded in Abbey Road Studios in September 1962 took 18 takes to get right even though it was one of the first songs John and Paul ever wrote together And the authors reveal that when the Beatles performed I Want to Hold Your Hand on The Ed Sullivan Show in 1964 John s microphone wasn t turned on so viewers heard only Paul singing The hundreds of photographs throughout the book include rare black and white publicity stills images of Beatles instruments and engaging shots of the musicians in studio All the Songs is the must have book for the any true Beatles fan *Argos catalogue 1989-1990 old vintage book* KCC, *Argos catalogue 1989 1990 old vintage book* *Twins and Super-twins* Horatio Hackett Newman, 1942

Ian Berry, 2014-06-17 A year has passed since the Shuttle launch in Florida a year during which Saskia has decided that she prefers to be Saskia rather than Richie As her friend and companion Saskia Hunt leaves school for the last time Voice arranges for Saskia to exist as an actual person For the last time or so he thinks Richie changes to be Saskia Now the girls can live together as sisters together forever and that word has a particular meaning for the pair of them As the Supertwins the girls continue to use their powers to help and protect others including saving most of the world again by actually making a volcano erupt Having left school at least one of them has the girls go to work for James Robinson Their experiences are decidedly NOT those of your average school leaver and their involvement with the security forces comes in handy from time to time James has cause to be grateful when a helicopter crash is averted by Saskia learning to fly it in a matter of seconds What they come to call the Saskia Magic helps them help others to come to terms with themselves including an American businessman who ignores his teenage daughter in favour of his work Saskia Hunt enjoys being shot at so foiling a terrorist hijack of a trainload of nuclear fuel sees her with a huge grin as the machinegun bullets bounce off her Saskia can already

drive a car and other things she learned the normal way while she was still Richie Saskia Hunt learns in just a minute or so as Saskia shows her how it s done      **Billboard** ,1950-07-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      *Billboard* ,1953-01-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
