Healing Is a Choice Stephen Arterburn, 2005 From chronic physical pain to deep emotional hurts we are all at some level in need of healing And healing writes author Stephen Arterburn is a choice although not our choice it is God's choice While that may lead us to understand that healing is out of our hands there are several things we do or believe that can stand in the way of God's healing in our lives Describing ten choices we can make and the corresponding ten lies that we must reject Arterburn outlines the plan for opening our lives to God's divine touch For example to be receptive to God's healing we must make the choice to feel but we often buy into the lie that we need something to help numb the pain Likewise we can choose to embrace reality but we often falsely believe that if we act as if nothing is wrong the problem will go away Healing on all levels spiritual emotional mental and physical is a miraculous gift from God but it is a function of our own decisions and beliefs as well When we make the right choices and reject the lies we can find the way to wholeness again

Embrace your brokenness as a catalyst for change and step into the fullness of life and purpose that awaits you. Your journey from brokenness to wholeness starts here.

Pastor Haskins succinctly addresses the steps to transform one's life from brokenness to wholeness. This is a must-read resource for every counselor and pastor who works in ministry.

Rev. Steve Baran, President, National Christian Counselors Association

From Brokenness to Wholeness is a practicable guide for anyone who is ready to take the journey towards wholeness. This book is a worthwhile read and a valuable resource. I highly recommend it.

Jonathan McElhaney, LPC, MHSP, NCC

Pastor Ron Haskins' book is very well written and well thought out. Anyone who reads it will find that it will bless their life.

Ernest Martinez II, Pastor, International Church, STL, Saint Louis, MO

From Brokenness to Wholeness is truly powerful and inspiring. Coming from a place of brokenness and still walking the journey toward wholeness, I can confidently say this is not just a great guide for my own healing but also a profound resource for others. I will pray for the success of this book and for it to reach and transform the lives of millions who are searching for the wholeness they so deeply desire.

From Brokenness to Wholeness helped me to understand that the scars from my past, though many, can be healed, and I can and will have a fulfilling future. It reminded me that God is not done with me yet, even when I feel weighed down by my past sins. These feelings of being held back are often influenced by people or my own perceptions, not God's grace. I need to trust that His plan for me remains intact, no matter my past mistakes.

One of the most comforting aspects of this book is its emphasis that we are not alone. Others have walked this path of brokenness and emerged whole, and they are

willing to help others find their way as well This reassurance inspires hope that transformation is not just possible but achievable The book challenged me to stop hiding my scars and to begin the journey of healing them instead As the book highlights some wounds require skilled guidance whether through counselors spiritual mentors or supportive communities and we must not try to heal them on our own The shared stories of others who have moved from brokenness to wholeness serve as a powerful testament to the resilience of the human spirit and the faithfulness of God These examples remind us that healing is both a personal and communal journey From Brokenness to Wholeness is more than empowering it gives hope and resilience while showing that wholeness is attainable through faith others and ultimately God It calls us to trust connect and believe that even in our pain there is purpose and a path to redemption This book has instilled in me the courage to confront my hurts and the assurance that wholeness is within reach if I am willing to take the steps forward SFC Christopher Persilver BN S1 NCOIC ARMY

Welcome to the first step in healing your soul I created this devotional because my ministry A Healing for Your Soul is designed to help mend the wounds of the hurting women and men of all diversities through the joy of Jesus Christ

Although pain is part of our human experience so too is peace and love through Jesus

As I cross our wonderful country sharing God's holy word I am thrilled when people accept Jesus as their Lord and Savior and are delivered from hurt and pain

They are encouraged to have faith and to trust in God

They learn that all of the issues of life can and will be handled in accordance with the Lord's will and on His perfect time schedule

God has allowed me to come through many obstacles in my life frustrations that only He could help me overcome

And now God has allowed me to create this book to help you to tap into the power of our Lord and overcome too
