Congress, 2008 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Salaries of Members of Congress, 1789-2003 Paul E. Dwyer, 2003 Congress is required by Article I Section 6 of the Constitution to determine its own pay Prior to 1969 Congress did so by enacting stand alone legislation From 1789 through 1968 Congress raised its pay

22 times using this procedure Congressional salaries initially were USD1 500 By 1968 they had risen to USD30 000 Stand alone legislation may still be used to raise Member pay as it was most recently in 1982 1983 1989 and 1991 but two other methods are now also available an automatic annual adjustment procedure and a commission process Contents Preface Salaries of Members of Congress Payable Rates and Effective Dates 1789 2003 Salaries of Members of Congress Congressional Votes 1990 2003 Salaries of Members of Congress Current Procedures and Recent Adjustments Index **Fire Congress** Irene Petteice,2017-12-01 Is congress corrupt Fire Congress names the corrupt persons and tells you their crimes A congressman gets elected and becomes a very wealthy congressman by making very wise investments Of course they have some help from K Street K Street is where the lobbyists are When congressmen are not receiving checks from lobbyists for their campaign funds they are going to work for lobbying rms at the end of their careers that is if the congressmen are not in prison Then of course there are all of the earmarks they are no longer supposed to have Literally billions of dollars of earmarks are tacked onto bills some frivolous for stuff that would otherwise never get passed just to garner votes from their own constituency Presidential Pay Recommendations United States. Congress. House. Committee on Post Office and Civil Service. Ad Hoc Task Force on Presidential Pay Recommendations,1987 **Journal of the House of Representatives of the United States** United States. Congress. House,2001 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House *Congressional Pay and Perks* Ida Brudnick,Patrick Purcell,2010-12-01 Congress is required by Article I Section 6 of the Constitution to determine its own pay Prior to 1969 Congress did so by enacting stand alone legislation From 1789 through 1968 Congress raised its pay 22 times using this procedure Members were initially paid per diem The first annual salaries in 1815 were 1 500 Per diem pay was reinstituted in 1817 Congress returned to annual salaries at a rate of 3 000 in 1855 By 1968 pay had risen to 30 000 Stand alone legislation may still be used to raise Member pay as it was most recently in 1982 1983 1989 and 1991 but two other methods including an automatic annual adjustment procedure and a commission process are now also available The Ethics Reform Act of 1989 established the current formula for automatic annual adjustments which is based on changes in private sector wages and salaries as measured by the Employment Cost Index The adjustment goes into effect automatically unless denied statutorily by Congress although the percentage may not exceed the percentage base pay increase for General Schedule employees Allowances are available to Representatives and Senators to support them in their official and representational duties as Members These allowances cover official office expenses staff mail and other goods and services Despite significant reductions in congressional mail postage costs over the past 20 years critics continue to raise concerns that the franking privilege is both financially wasteful and gives unfair advantages to incumbents in congressional elections In particular mass mailings have come under increased scrutiny as critics argue that the vast majority of franked mail is unsolicited and in

effect publicly funded campaign literature Members of Congress first elected in 1984 or later are covered automatically under the Federal Employees Retirement System FERS unless they decline this coverage Those who already were in Congress when Social Security coverage went into effect could either remain in CSRS or change their coverage to FERS Members are now covered under one of four different retirement arrangements CSRS and Social Security The CSRS Offset plan which includes both CSRS and Social Security but with CSRS contributions and benefits reduced by Social Security contributions and benefits FERS and Social Security or Social Security alone Congressional pensions like those of other federal employees are financed through a combination of employee and employer contributions All Members pay Social Security payroll taxes equal to 6.2% of the Social Security taxable wage base 102,000 in 2008 and 106,800 in 2009 Members enrolled in FERS also pay 1.3% of full salary to the Civil Service Retirement and Disability Fund In 2008 Members covered by CSRS Offset pay 1.8% of the first 102,000 of salary and 0.8% of salary above this amount into the Civil Service Retirement and Disability Fund Under both CSRS and FERS Members of Congress are eligible for a pension at age 62 if they have completed at least five years of service Members are eligible for a pension at age 50 if they have completed 20 years of service or at any age after completing 25 years of service The amount of the pension depends on years of service and the average of the highest three years of salary By law the starting amount of a Member's retirement annuity may not exceed 80% of his or her final salary After Members of the House leave office they are afforded certain courtesies and privileges Some are derived from House Rules but many are courtesies that have been extended as a matter of custom Former Representatives who become lobbyists have limited privileges See full Table of Contents at https://www.thecapitol.net/Publications/GovernmentSeries/1657_CongressionalPayAndPerks.html
