Food hunting - Discuss with the class what they think are healthy foods and which are not, and be prepared to be surprised! Encourage the children to do a range of different healthy foods and have a healthy picnic. What can you include with seasonal foods for the children to describe the colour, taste and smell.

What counts as my five a day? Use the [five a day](#) to look at what counts as one of your five a day.

Give the child a selection of foods to guess and get them to describe them and what is one of your five a day and also what one of your five a day? They could then draw a line down the centre of their table and draw the different foods.

Food groups and portion sizes - Look at the different groups of food and discuss how the children's portions of food and get them to eat them and see how many. The children could be asked to look at different food groups.

Look at the different proportions with the help of the [portion and portion sizes](#).

Encourage the children to use their own ideas of food by looking at packaging and comparing the labels.

Descriptive writing - Looking at images and food hunting for the children to describe the different healthy foods they have chosen. Use them to describe the taste, texture, smell, feel and look. Alphas are key when it comes to describing the food to get them [writing with](#) to help them with their descriptions.

For the children to describe their own food of their [different eating habits](#).

Spelling - Use the [spelling](#) to get the children to practice their spelling and to describe their healthy eating habits.

Recipe writing - Use the children to think of their food to read and research how to make it. If they do not already know. Then get them to write a recipe for the food of a [recipe](#). If they are older pupils, you could check that they are following their own recipe and not the one.

What I eat - Use the [what I eat](#) to help encourage the children to reflect on what they eat and whether or not it is good for their health and also bring a good writing activity. The first page asks them to look at the food they eat, and the second page asks them to compare a healthy diet with their own.

Discuss with the class why we need to eat healthy. Discuss what things you need to eat and drink. Make sure you talk about the fact that you can eat different things and eat a lot of it sometimes and that they should be a part. You could also talk about eating well healthy living and what other things we need to do to keep fit and healthy.

Then [foods](#) are good to have around the classroom to remind children what they need to eat to keep fit and healthy.

The [five a day](#) is also useful for discussing what things you can do to eat fit and healthy.

History and Geography

Look at what foods people eat in other countries such as America, South Africa, India, China and France. Do some research to find out what foods are common and what healthy and look at the healthy they eat.

Look at the history of eating healthy and the impact of eating good enough to eat and healthy. Look at eating and habits, which could be a bit of history, and how it has changed over all these years ago.

Healthy Eating Lesson Plans Common Core:

Leading the Common Core Initiative Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian's role in their implementation this book offers ready to use lesson plans and other tools for grades K-5 and identifies opportunities for collaborative teaching. As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards (CCSS) school librarians need to understand the challenges and have lesson plans ready to help. This resource introduces the CCSS in English and mathematics to K-5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers. Based upon the authors' own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction. The book also discusses the opportunities for advocacy that result from the librarian's instrumental role in implementing the CCSS both as a staff developer and a collaborative partner teacher. The Healthy Eating and Active Time Club Curriculum Economos, Christina, Collins, Jessica, Irish Hauser, Sonya, Hennessy, Erin, 2014-07-03 This book is a great tool for helping teachers instill good eating and physical activity habits in their students. It comes with a web resource that offers activity and food cards, worksheets, and separate activity books for grades 1 to 3. The web resource also contains another complete book, After School HEAT Club Curriculum, that offers activities for after school programs that reinforce the print book's content. **Navigating the Common Core with English Language Learners** Larry Ferlazzo, Katie Hull Sypniewski, 2016-05-02 The must-have Common Core guide for every ESL/ELL instructor. Navigating the Common Core with English Language Learners is the much-needed practical guide for ESL/ELL instructors. Written by experienced teachers of English Language Learners, this book provides a sequel to the highly regarded ESL/ELL Teacher's Survival Guide and is designed to help teachers implement the Common Core in the ELL classroom. You'll find a digest of the latest research and developments in ELL education along with comprehensive guidance in reading and writing, social studies, math/science, Social Emotional Learning, and more. The Common Core is discussed in the context of ESL, including the opportunities and challenges specific to ELL students. Ready-to-use lesson plans and reproducible handouts help you bring these ideas into the classroom, and expert guidance helps you instill the higher-order thinking skills the Common Core requires. The Common Core standards have been adopted in 43 states yet minimal guidance has been provided for teachers of English Language Learners. This book fills the literature gap with the most up-to-date theory and a host of practical implementation tools. Get up to date on the latest stats and trends in ELL education. Examine the challenges and opportunities posed by Common Core. Find solutions to common issues that arise in teaching ELL students. Streamline Common Core implementation in the ELL classroom. The ELL population is growing at a rapid pace and the ELL classroom is

not exempt from the requirements posed by the Common Core State Standards ESL ELL teachers know better than anyone else how critical language is to learning and ELL students need a specialized Common Core approach to avoid falling behind Navigating the Common Core with English Language Learners provides specific guidance and helpful tools that teachers can bring to the classroom today
