Lind, 2015-01-09 For early civilizations consciousness and the sense of self were experienced as located in the center of the body most often near to or within the physical heart Enlightenment was understood as the illumination of a transformed spiritual heart Thus the mind of the body as a whole was represented by the heart soul In contrast modern culture places consciousness within the brain resulting in a mind body dualism This separation of mind and body has recently been emphasized as characteristic of the psychopathologies of the modern self This volume explores the understanding and experience of consciousness in the earliest civilizations before about 500 BCE Beginning with a description of ancient Western and Eastern heart consciousness the psychological and spiritual manifestations of the ancient mature heart soul are summarized Ancestor worship lineage identity primitive consciousness and the ways in which the external world was mirrored by the inner world provide additional clues about the experience of heart consciousness Finally the work addresses the fundamental changes in the experience of consciousness that led to the mind body dualism of today **Christward**

Three Guidelines for Ethical Living Kenneth P. Langer, 2017-07-14 Three principles for living a gentle and peaceful life with yourself and others

Sh*t the Moon Said Gerard Powell, 2018-01-30 It was during my eighth or ninth plant medicine journey that I was finally getting a real sense of freedom I was feeling so elated that I told the moon I had a special request I explained that this life had been so full of pain for me that I didn't think I could do it all again So I asked her if in my next life she could make sure that I found the plant medicine as soon as possible Her reply floored me She typed Gerry that's a request about next time but it's the same one you used last time Plant medicine The moon typing It probably seems incomprehensible Gerard Armond Powell was a rags to riches success story a member of the 1 percent but also an extremely unhappy person with multiple addictions On a fast track to destroying every relationship that ever mattered to him and considering suicide he was looking for a miracle a way out He found it in the form of plant medicine and a shaman who introduced him to the truth of his life and laid the groundwork for a psycho spiritual journey that would lead him to reconnect with his soul heal his addictions and finally achieve a lasting sense of peace and happiness This experience changed Powell and convinced him to share the universal truths he learned with as many people as he could which he does at the acclaimed Rythmia Life Advancement Center in Costa Rica and now with readers in *Sh*t the Moon Said* This mesmerizing story gives readers a blueprint to chart their own course to happiness The first step is to learn who they really are and the possibilities of what they can still become Second they have to achieve a reconnection with their souls And third they must heal their hearts *Sh*t the Moon Said* provides us with an irreverent way of highlighting our shared unconscious wisdom and its life changing potential Powell's candid tale and unlikely journey will help inspire readers to know themselves better and to find the path to their own greatest redemption

How to Lead a Badass Business From Your Heart Makenzie Marzluff, 2020-10-30 *How To Lead A Badass Business From The Heart* is a blueprint for conscious entrepreneurs to bring their business to life in a way that is entirely rooted in the heart While the old paradigm of business rooted in fear and greed has left most of the spiritual community terrified of capitalism money and success this book grants full permission back to the visionaries and light workers that are here to restore the heart on our planet through their creations

God Created Man in His Image and Likeness Oried E. Graves, 2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don't know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents don't ask God for His spirit for their children is because they don't recognize the need for Him There are

several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will
