*Bathhouses in Iudaea, Syria-Palaestina and Provincia Arabia from Herod the Great to the Umayyads* Arleta Kowalewska, 2021-07-21 Bathing culture was one of the pillars of Roman society and bathhouses are one of the largest categories of a particular type of construction excavated in the Roman world The large number of surviving remains and their regional variety make bathhouses vital for the study of the local societies in the Roman Byzantine period This book presents the archaeological evidence of close to 200 Roman style bathhouses from the region of Iudaea Syria Palaestina and Provincia Arabia part of the provinces of the Roman East constructed from the reign of Herod the Great second half of the 1st century BCE to the end of the Umayyad rule mid 8th century CE The bathing complexes of the Roman Byzantine and the Early Islamic periods ranging from large public thermae to small bathing suites are for the first time analyzed as unified data with an unprecedented amount of detail considering a variety of parameters from dating and setting through building techniques and materials to plans and decorations Typologies of the bathhouses and their components are supplemented by exploration of the socio cultural insight provided by this particular type of construction The historical narrative of the regional bathing facilities is updated in the light of new information The full raw data used for the study is provided in the expandable open access online database

**Urban Rage** Mustafa Dikeç, 2017-01-01 A timely and incisive examination of contemporary urban unrest that explains why riots will continue until citizens are equally treated and politically included In the past few decades urban riots have erupted in democracies across the world While high profile politicians often react by condemning protestors actions and passing crackdown measures urban studies professor Mustafa Dike shows how these revolts are in fact rooted in exclusions and genuine grievances which our democracies are failing to address In this eye opening study he argues that global revolts may be sparked by a particular police or government action but nonetheless are expressions of much longer and deep seated rage accumulated through hardship and injustices that have become routine Increasingly recognized as an expert on urban unrest Dike examines urban revolts in the United States United Kingdom France Sweden Greece and Turkey and in a sweeping and engaging account makes it clear that change is only possible if we address the failures of democratic systems and rethink the established practices of policing and political decision making

**Solidarität als Praxis** Nikolas Schall, 2022-03-07 Wie ist Solidarität in zunehmend diverseren Gesellschaften möglich Nikolas Schall geht dieser Frage auf der Ebene individueller Praktiken nach Am Beispiel des Weltsozialforums 2016 in Montreal analysiert er die verschiedenen situativen Praktiken die im transnationalen Aktivismus insbesondere zwischen indigenen und nicht indigenen Aktivist\*innen notwendig sind um vor dem Hintergrund einer gewaltvollen Kolonialgeschichte und ungleicher Machtverhältnisse Solidarität herzustellen Dabei wird deutlich inwiefern Aushandlungen und ein produktiver Umgang mit Konflikten eine zentrale Bedeutung für das Entstehen von solidarischen Beziehungen haben

**Social Justice and the City** Nik Heynen, 2020-06-09 This special collection aims to offer insight into the state of geography on questions of

social justice and urban life While using social justice and the city as our starting point may signal inspiration from Harvey's 1973 book of the same name the task of examining the emergence of this concept has revealed the deep influence of grassroots urban uprisings of the late 1960s earlier and contemporary meditations on our urban worlds Jacobs 1961 1969 Lefebvre 1974 Massey and Catalano 1978 as well as its enduring significance built upon by many others for years to come Laws 1994 noted how geographers came to locate social justice struggles in the city through research that examined the ways in which material conditions contributed to poverty and racial and gender inequity as well as how emergent social movements organized to reshape urban spaces across diverse engagements including the U S Civil Rights Movement anti war protests feminist and LGBTQ activism the American Indian Movement and disability access This book originally published as a special issue of Annals of the American Association of Geographers

**Graphic Novels and Comics as World Literature** James Hodapp, 2022-04-07 Graphic narratives are one of the world's great art forms but graphic novels and comics from Europe and the United States dominate scholarly conversations about them Building upon the little extant scholarship on graphic narratives from the Global South this collection moves beyond a narrow Western approach to this quickly expanding field By focusing on texts from the Middle East Africa Latin America and Asia these essays expand the study of graphic narratives to a global scale Graphic Novels and Comics as World Literature is also interested in how these texts engage with fit in with or complicate notions of World Literature The larger theoretical framework of World Literature is joined with the postcolonial decolonial Global South and similar approaches that argue explicitly or implicitly for the viability of non Western graphic narratives on their own terms Ultimately this collection explores the ways that the unique formal qualities of graphic narratives from the Global South intersect with issues facing the study of international literatures such as translation commodification circulation Orientalism and many others

Language of the Revolution Eugen Wohl, Elena Păcurar, 2023-11-17 This edited book fills a void in the existing research concerning anti communist movements in Central and Eastern Europe outlining the linguistic implications of the cultural social and political metamorphoses brought about by the change of regime The authors included in this volume approach the topic from a variety of perspectives but ultimately focus on language seen as a fundamental tool for simultaneously subjugating and liberating concealing and revealing truth discouraging dissidence and fostering revolt Readers are invited to discover the linguistic implications of the many shapes and forms that the 1989 anti communist revolutions took Equally interesting are the investigations of the revolution aftermath in the first years of transition to democracy Perceived as a whole throughout the Cold War 1947 1991 the so called Eastern Bloc managed to reveal its heterogeneity the singularity of each of its comprising states and the multitude of its internal contrasts most vividly perhaps in the manifold manifestations of the 1989 anti communist fight This book will be of interest to academics and researchers from various fields including history socio linguistics political studies and conflict studies

**History of Participation in Museums and Archives** Per Hetland, Palmyre Pierroux, Line Esborg, 2020-03-17 Traversing disciplines A History of Participation in Museums and Archives provides a framework for understanding how participatory modes in natural cultural and scientific heritage institutions intersect with practices in citizen science and citizen humanities Drawing on perspectives in cultural history science and technology studies and media and communication theory the book explores how museums and archives make science and cultural heritage relevant to people s everyday lives while soliciting their assistance and participation in research and citizen projects More specifically the book critically examines how different forms of engagement are constructed how concepts of democratization are framed and enacted and how epistemic practices in science and the humanities are transformed through socio technological infrastructures Tracking these central themes across disciplines and research from Europe Canada Australia and the United States the book simultaneously considers their relevance for museum and heritage studies A History of Participation in Museums and Archives should be essential reading for a broad academic audience including scholars and students in museum and heritage studies digital humanities and the public communication of science and technology It should also be of great interest to museum professionals working to foster public engagement through collaboration with networks and local community groups

**Freedom Dreams** Robin D. G. Kelley, 2022-08-23 The 20th anniversary edition of Kelley s influential history of 20th century Black radicalism with new reflections on current movements and their impact on the author and a foreword by poet Aja Monet First published in 2002 Freedom Dreams is a staple in the study of the Black radical tradition Unearthing the thrilling history of grassroots movements and renegade intellectuals and artists Kelley recovers the dreams of the future worlds Black radicals struggled to achieve Focusing on the insights of activists from the Revolutionary Action Movement to the insurgent poetics of Aim and Suzanne C saire Kelley chronicles the quest for a homeland the hope that communism offered the politics of surrealism the transformative potential of Black feminism and the long dream of reparations for slavery and Jim Crow In this edition Kelley includes a new introduction reflecting on how movements of the past 20 years have expanded his own vision of freedom to include mutual care disability justice abolition and decolonization and a new epilogue exploring the visionary organizing of today s freedom dreamers This classic history of the power of the Black radical imagination is as timely as when it was first published

**Policing Black Lives** Robyn Maynard, 2025-08-22 This revised and expanded edition of Robyn Maynard s bestselling Policing Black Lives offers a comprehensive account of policing Black life in Canada Maynard documents how a half a century of police reforms have expanded the scope and scale of policing and perpetuated anti Black violence Offering a compelling vision for making policing obsolete in the wake of global Black uprisings in 2020 this essential text will guide and inspire activists students scholars and all those working toward Black futures beyond surveillance and confinement

**The Value Gap** Courtney Brannon Donoghue, 2023-08-08 How female directors producers and writers navigate the challenges and barriers facing female driven projects at each stage of filmmaking in contemporary Hollywood Conversations about

gender equity in the workplace accelerated in the 2010s with debates inside Hollywood specifically pointing to broader systemic problems of employment disparities and exploitative labor practices Compounded by the devastating MeToo revelations these problems led to a wide scale call for change The Value Gap traces female driven filmmaking across development financing production film festivals marketing and distribution examining the realities facing women working in the industry during this transformative moment Drawing from five years of extensive interviews with female producers writers and directors at different stages of their careers Courtney Brannon Donoghue examines how Hollywood business cultures value female driven projects as risky or not bankable Industry claims that movies targeting female audiences don't make money or women can't direct big budget blockbusters have long circulated to rationalize systemic gender inequities and have served to normalize studios prioritizing the white male driven status quo Through a critical media industry studies lens The Value Gap challenges this pervasive logic with firsthand accounts of women actively navigating the male dominated and conglomerate owned industrial landscape

### **The Charlie Hebdo Affair and Comparative Journalistic Cultures**

Lyombe Eko, 2019-11-14 The Charlie Hebdo terrorist attack of January 7 2015 shook French journalism to the core and reverberated around the world triggering a cascade of responses from journalists media outlets cartoonists and caricaturists from diverse geographies of freedom of expression and journalistic cultures This book is a multifaceted case study that describes and explains sameness and difference in diverse journalistic conceptualizations of the Charlie Hebdo affair from a comparative international perspective It explores how different journalistic traditions cultures worldviews and styles conceptualized and reacted to the clash between freedom of expression and respect for religious sentiments in the context of terrorism where those sentiments are imposed on the media and secular societies through intimidation coercion and violence The book analyzes the political and cultural clashes between the core human right of freedom of expression and right of respect for religious sentiments which is situated on the outer periphery of the human right of freedom of religion It also examines how media outlets editors and cartoonists from different politico cultural contexts and journalistic cultures in Africa Asia Europe the Middle East and North and South America addressed the delicate issue of Mohammed cartoons in general and the problem of republication of the controversial Charlie Hebdo Je Suis Charlie Mohammed cartoon in particular

**Public Baths and Bathing Habits in Late Antiquity** Sadi Maréchal, 2020-01-20 In this book Sadi Maréchal examines the survival transformation and eventual decline of Roman public baths and bathing habits in Italy North Africa and Palestine during Late Antiquity Through the analysis of archaeological remains ancient literature inscriptions and papyri the continued importance of bathhouses as social hubs within the urban fabric is demonstrated thus radically altering common misconceptions of their decline through the rise of Christianity and elite seclusion Persistent ideas about health and hygiene as well as perpetuating ideas of civic self esteem drove people to build restore and praise these focal points of daily life when other classical buildings were left to crumble

### **Violence Against Women in Politics** Mona Lena Krook, 2020 Women

have made significant inroads into political life in recent years but in many parts of the world their increased engagement has spurred attacks intimidation and harassment This book provides the first comprehensive account of this phenomenon exploring how women came to give these experiences a name violence against women in politics Tracing its global emergence as a concept Mona Lena Krook draws on insights from multiple disciplines political science sociology history gender studies economics linguistics psychology and forensic science to develop a more robust version of this concept to support ongoing activism and inform future scholarly work Krook argues that violence against women in politics is not simply a gendered extension of existing definitions of political violence privileging physical aggressions against rivals Rather it is a distinct phenomenon involving a broad range of harms to attack and undermine women as political actors taking physical psychological sexual economic and semiotic forms Incorporating a wide range of country examples she illustrates what this violence looks like in practice catalogues emerging solutions around the world and considers how to document this phenomenon more effectively Highlighting its implications for democracy human rights and gender equality the book asserts that addressing this issue requires ongoing dialogue and collaboration to ensure women's equal rights to participate freely and safely in political life around the globe

**Situating Global Art** Sarah Dornhof, Nanne Buurman, Birgit

Hopfener, Barbara Lutz, 2018-09-05 In recent years the term global art has become a catchphrase in contemporary art discourses Going beyond additive notions of canon expansion this volume encourages a differentiated inquiry into the complex aesthetic cultural historical political epistemological and socio economic implications of both the term global art itself and the practices it subsumes Focusing on diverse examples of art curating historiography and criticism the contributions not only take into account new hegemonies and exclusions but also the shifting conditions of transcultural art production circulation and reception

Maynard, 2018-10-03 T00:00:00-04:00 Présentation La vérité a souvent un goût amer Nous ne savons comment accepter nos histoires Faut-il s'en tenir aux faits et dire la vérité Cet ouvrage monumental si richement documenté est précieux il nous tire de l'oubli et du silence Que savons-nous de l'esclavage au Canada Que savons-nous de la répression exercée sur les femmes et les hommes noirs Que savons-nous du racisme systémique Que savons-nous de la détresse des Autochtones des sans-papiers des personnes réfugiées Enfin fort peu Parce que l'état construit et déconstruit les récits travers les institutions Les citoyens ne sont ainsi condamnés à reproduire une histoire qui nous échappe Chos de Presse Robyn Maynard remet en question les discours dominants sur le multiculturalisme et l'inclusion au Canada en exposant l'ancrage complexe des structures du racisme et des idéologies du genre dans l'histoire esclavagiste et coloniale NoirEs sous surveillance ne devrait pas être lu seulement par celles et ceux qui s'intéressent aux histoires canadiennes et aux mouvements de justice sociale il s'adresse toute personne interpellée par le potentiel abolitionniste et révolutionnaire du mouvement Black Lives Matter Angela Davis

Lecture franche et incisive du racisme au Canada qui profiterait tous les Canadiens qu'ils soient noirs blancs autochtones ou autres Winnipeg Free Press      *Official Gazette of the United States Patent and Trademark Office* ,2003      *The Rise of the Shame Society* Marcel H. Van Herpen,2022-06-01 American society is often characterized as a guilt culture as opposed to non Western shame cultures But is this distinction still valid today Through examples like shaming penalties in criminal law fat shaming and cyberbullying on the social media *The Rise of the Shame Society* America's Change from a Guilt Culture into a Shame Culture shows how shame is increasingly invading our lives leading to feelings of humiliation and depression Marcel Van Herpen identifies three causes of this phenomenon new childrearing methods the advent of the social media and a transformation of Western individualism He weighs the arguments for and against a shame society and concludes that a guilt centered approach remains preferable Although shame increasingly permeates everyday life the author argues that its rise is not a fatality He emphasizes that shame is a dynamic phenomenon and that one can observe trends which lead to an increase of shame as well as to its decrease Examples of the latter are a growing sensitivity to the pain caused by anti Black racism the decrease of anti LGBTQIA prejudices and efforts to end the stigmatization of people with disabilities Along with exploring its increase *The Rise of the Shame Society* demonstrates that there are ways to overcome shame      **Gymnasia and Greek Identity in Ptolemaic Egypt** Mario C. D. Paganini,2022 This book provides the first complete study of the documentation relevant to the gymnasium and gymnasial life in Egypt in the period 323-30 BC Paganini analyses the role of the gymnasium in Ptolemaic Egypt and how it related to Greek identity in the region
