Lotus The Early Years:

Lotus the Early Years Peter Ross, 2004-10-29 The book corrects many of the historical myths that have appeared in earlier Lotus books and adds many previously unknown facts It includes for the first time period photographs and sketches taken from the personal albums and drawing boards of those who were there In addition contemporary illustrations clarify some of the more unusual and innovative techniques used to overcome the engineering problems that they faced An extensive appendix offers complete race results and specifications 1951-54 Lotus The Early Years tells the story of what might be called the amateur years of Lotus before Colin Chapman and Mike Costin gave up their day jobs and worked for Lotus full time Colin relied on enthusiasts for motor sport who were attracted to him partly because of his charm but mainly because he was so obviously going places and made things happen very fast This is their story told by as many of them who are still around 50 years later based very much on records kept by the Allen brothers and the daily diary kept by the author at the time That they should have created a car that beat the world leaders in the 1500cc Class seemed astonishing at the time but subsequent history showed that these humble beginnings were based on an ability and drive which took Colin to the top The true story of Lotus and how it all began by those who were there Details the beginnings of Lotus during the fifties Historic photographs taken from the personal archives of the author Original engineering drawings sketches shown here for the first time Extensive appendix with complete race results and specifications 1951-54 About the Author Peter Ross was a de Havilland Aircraft apprentice in the 1940s and went on to a career in British European Airways He knew Colin Chapman from the very start helped build the Lotus IIIb and the Lotus Mk VIII prototype and was Team Manager for Lotus at the 1955 Dundrod TT From 1953 he was a spare time volunteer draughtsman to Colin up to 1959 when he was posted by BEA to Belgium He was a regular camp follower at the early Grands Prix from 1958-62 usually to be found doing the lap scoring in the Lotus pit After retiring from the airline in 1987 he spent 11 years manufacturing some 300 of his own design of recumbent pedal tricycle the Trice which he still uses for shopping and leisure rides

Kalliney,2024-12-10 How decolonization and the cold war influenced literature from Africa Asia and the Caribbean How did superpower competition and the cold war affect writers in the decolonizing world In The Aesthetic Cold War Peter Kalliney explores the various ways that rival states used cultural diplomacy and the political police to influence writers In response many writers from Africa Asia and the Caribbean such as Chinua Achebe Mulk Raj Anand Eileen Chang C L R James Alex La Guma Doris Lessing Ng g wa Thiong o and Wole Soyinka carved out a vibrant conceptual space of aesthetic nonalignment imagining a different and freer future for their work Kalliney looks at how the United States and the Soviet Union in an effort to court writers funded international conferences arts centers book and magazine publishing literary prizes and radio programming International spy networks however subjected these same writers to surveillance and intimidation by tracking their movements tapping their phones reading their mail and censoring or banning their work Writers from the global south also suffered travel restrictions deportations imprisonment and even death at the hands of government agents Although conventional wisdom suggests that cold war pressures stunted the development of postcolonial literature Kalliney's extensive archival research shows that evenly balanced superpower competition allowed savvy writers to accept patronage without pledging loyalty to specific political blocs Likewise writers exploited rivalries and the emerging discourse of human rights to contest the attentions of the political police A revisionist account of superpower involvement in literature The Aesthetic Cold War considers how politics shaped literary production in the twentieth century
