Lounge Conversations Robert Laird:

The Lounge Conversations Robert Laird, 2015-12-05 The Lounge Conversations are part of a multimedia work called Shuteye Town 1999 Shuteye Town is an underground world connected by an extensive subway system with dozens of stations Each station has a lounge The conversations are Socratic in nature driven by the sarcastic questioning of Daniel Pangloss a self appointed critic of American life Oddly despite being 15 years old now the conversations address and mock many of the same hot button issues we are facing today See what you think **Sighthounds & Other Strangers** Robert Laird, 2016-09-26 People think their relations with dogs and cats are somehow trivial a side effect of their more important lives Not true at all Lived all my life in the company of dogs and cats My dad I have to admit used to try to run down cats in his car I never did Then when I was 21 and I was in a kind of binge problem thing I found a kitten curled up outside the porch of my family house I named him Webster after a cat in a P G Wodehouse novelette because I was a precious thing in those days He made me sober for his lifetime Big achievement for a cat eh The Webster in the Wodehouse story was hell on wheels after he lapped up some spilled brandy Tore through every cat in the neighborhood and lost part of an ear and other things Except my Webster got terrified by a squirrel in Philadelphia My Elliott beat the hell out of every cat in the neighborhood in Salem NJ All night every night Because I wanted him to Who knows Cats can be disappointing AND inspiring Ever realized that So did I But the real saving force was not the bad example of cats but the good really excellent example of dogs Dogs are almost never disappointing Neither are cats if you treat them right What this book is about **Doghouse Blues** Clive Radford, 2021-09-01 Roger Fraser is convinced he is cursed by unforeseen situations constantly bringing his integrity into disrepute especially in social situations His family thinks he is gaff prone but if they could see him in the business arena they would find Roger is an unassailable trouble shooter trampling on Essex boy traders and solving delicate problems with aplomb Join the Fraser family and their assorted band of odd ball friends and work colleagues as our hero steers his way through some tricky situations but nonetheless always seems to get the rough end of the pineapple and ends up licking his wounds in the doghouse *Who's who in the Foodservice Industry* National Restaurant Association (U.S.), 1988 **The Michigan Alumnus**, 1949 In v 1 8 the final number consists of the Commencement annual **Red Book**, 1975 The magazine for young adults varies **Chamber's Journal of Popular Literature, Science and Arts**, 1891 *A Cameo for Jean* Lee Gingery, 2003-10 Jean Balneaves born in poverty on a Scottish Croft in the nineteenth century sees for the first time as bairns in a chance meeting young Robert Loudon son of the soon to be laird of Dollar Glen Castle and owner of the croft holding In young adulthood they secretly meet and fall in love But Robert is persuaded to enter Sandhurst the English Army Officer s School Because of a mysterious fire the croft cottage burns and Jean s father dies Jean now a dark eyed beauty takes charge of her siblings and young widowed mother All eventually are invited to the Castle by a compassionate now Viscount Benjamin Loudon Robert s papa But his wife the Lady Katrine sternly objects Finally after five years Jean and
