Love Has No Expiration:

True Love Has No Expiration Date ABMeneses, 2025-06-29 Who would have thought that a quiet young woman dreaming only of a diploma would find herself in a world of luxurious mansions secret agreements and a man more elusive than summer rain Gabriela Navarro a rebellious daughter a defiant student would become the center of an unusual story of sacrifice freedom and surprise love It all began with a contract she didn't want a paper she signed with a heavy heart but accepted for the sake of her family A decision she never imagined making She thought that was the end of her dreams to become a skilled accountant to have a peaceful life free from worry and to live without the fear of debt But all that was shattered because Mr Gordon de Guzman a mysterious businessman whom you'd genuinely fear had other plans like your boss in a horror movie where you never know when he'll jump out She didn't dream of this She didn't ask for this either But one day fate simply led Gabbi to a familiar yet foreign world Gordon's mansion A world of deafening silence secrets seemingly hanging in every corner and questions that no one there wanted to answer Like a grand asylum of mystery A contract was put in place A promise was made Was there also a curse attached to it all In a mansion where time seemed to stand still where every minute felt like an hour under lights that offered no warmth began the story of a young woman and a man who never questioned what was right because they were both too busy doing what they thought was wrong Or was it right in the end We don't know But what we do know is that sometimes the most important stories begin with things we don't understand with decisions that seem wrong at first but lead to outcomes far beyond our expectations *Does Love Have an Expiration Date????* D. O. N. VERGOS, 2008-11-05 Pocket size book Relationships marriage divorce relationships they have expiration date *Love Has a Story* Quina Aragon, 2024-10-01 Love has a story It's bigger than you It's bigger than me It comes from old an overflow of the beautiful love shared between the Father whose heart bursts for the Son the Son who adores His Father all wrapped in the glorious life giving love of the Spirit And this great Love knows and cherishes every secret and intimate detail of your story In fact this story is for you So where and how do we fit in this grand story of love In *Love Has a Story* author and poet Quina Aragon shares how before the foundations of the earth the great storyteller was penning a story that included you Love was thinking about you imagining ways to showcase His love for you and planning to rescue you This was not one of those sentimental loves but a love that would traverse the wilderness in search of and for His beloved and give everything His life blood wounds hope and an invitation to be family Join Quina in entering the greatest love story ever told Through the prose and poetry of these meditations you will come to know the great love of God for the world and for you When you reach the end of this book you will want to begin all over again And you will want to share this great love story with your friends and family Before you danced in your mother's womb before Adam and Eve your greatest grandparents ever walked the earth before stars lit up the night sky there was God handpicking you to inherit a bottomless ocean His love Quina Aragon **What Eve Wants to Hear from Adam** Michael J. Davis, 2012-08 IN A WORLD that is full of

technology and modern advances in everything from medicine to solar fusion it is so interesting that the most common issues of life seem to still have man confused and with no concrete answers from the common cold to how to get along with each other Mankind has been involved in some type of war or interpersonal conflict since the beginning of time from Cain and Abel to Rome s desire to conquer the world to Hitler s attempt to control Europe Some attempts at control have involved masses and some have involved just two The most fundamental relations are between a man and a woman and the products of their union mothers and fathers and their relationship to their children We find ourselves in the twenty first century still trying to explore and master the elements that make a relationship move without conflict We are still trying to discover the key to making a relationship work and without emotional or psychological injuries to anyone As we grow and mature we are ever aware of the difference in the concepts and attitude displayed by both men and women We are more conscious of the differences and attempt to adjust our behavior to accommodate the needs of others Women are from a different DNA makeup and make different needs and priorities Because of our lack of understanding of these needs we inflict needless pain and discomfort on each other We must open our hearts to each other so that we can operate in an environment that promotes love understanding and well doing to others This collection of poetry addresses some of my observations in regard to what I think women desire from men They need to feel secure wanted and loved There is no perfect relationship and no perfect man or woman However there is a balance that can be reached that will allow us to better understand each other Real Life Has No Expiration Date Bruce Bickel,Stan Jantz,2001 Written primarily for young adults and addressing the widespread fear of failure this volume focuses on the important subject of how readers can learn from and grow as a result of their mistakes

Dr. Sanneth Brown,2019-06-13 God welcomes everyone to take the water of life freely God has always been intimately involved in and touched by the feelings of our infirmities He is concerned about humanity God demonstrated his love for us by sending his only begotten Son Jesus Christ to die for humanity s transgressions and sins so that we may have everlasting life through him This is worth a shout of praise right now Hallelujah The Holy Spirit Prophetic Poetic Prayers is a compilation of selected Holy Spirit prophetic poetic prayers that are designed to strengthen and empower everyone who prays these prayers New hope will be birthed New beginnings will be given new hope New restorations will Unfold And new dimensions will be achieved Now is the time to leap to a new level through prayer and fasting for Jehovah God The Holy Spirit Prophetic Poetic Prayers is a rich collection of prayers that are filled with depth compassion and laughter and will enrich your anticipation and celebration of the risen Christ *Renewal* Shmuley Boteach,2010-05-25 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book *Renewal* our society can made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and

Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life Renewal shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life Destiny Unlike the Greeks who believed that life was scripted from birth the Jews believe in destiny In short they reject the idea of tragic fates and instead champion the individuals capacity to create their own destiny through individual choice Redemption Christians and Muslims emphasize salvation or the need for man to become spiritual to refine his character and earn a place in heaven But Jews believe in world redemption the capacity for the individuals to make heaven here on earth for the betterment of the community Action What you do is more important than what you believe Good deeds always supersede good dogma Enlightenment Jews are an infinitely curious people and believe that the great bane of existence boredom can only be cured by knowledge Marriage Marriage refers not just to the institution but rather the softening of the masculine by exposure to the feminine A culture that does not know how to respect women is bound to collapse Struggle It is wrestling with our nature rather than attaining perfection that constitutes true righteousness Everyone is somehow flawed but righteousness is found in the struggle to do right amid a predilection to act selfishly Sacred Time Whereas other religions sanctify space Jewish values privilege special moments The Sabbath day the holiest day of the week provides a time for connecting with family and friends

Flaming the Heart with Sayings and Thoughts Joe Cervantes,2017-12-14 Passion is a desire that goes back to the Garden of Eden and ends with the apostle John and its always powerful If there is anyone who can know about love its God With so much purity from Gods Word we are enlightened and yet discouraged at times by our surroundings As for Gods people were to have the desire to love one another deeply as we try to wear love wherever we go We are told to love and never give up and whatever we do its to be done in love So how do we guard our hearts What do we aim at and why When there is wisdom and knowledge and understanding and combined together we reach a higher level of joy and excitement With love there are moments in which we are at our lowest because of misunderstanding Thats when God sends his love and his people to give us some powerful truth and insights Its the love that we have for our family and friends May this book be the moment for which were created to inspire exhort and discipline the heart to set it on fire and multiply with more truth Theres so many powerful thoughts in this book of important reminders and clever comments So let the flames begin within our hearts Lets change this world of ours with some powerful insights within this book I sincerely believe its impossible for you not to find some thoughts thats not going to be beneficial to inspire your life

Life in Christ Steve Harper, 2020-09-01. E. Stanley Jones observed that people know everything about life except how to live it. We humans have acquired immense knowledge and achieved great things. We are enlightened, Jones said, but not necessarily enlivened. Steve Harper has been mulling over this human situation for a few decades and offers his profoundly inspiring conclusions in *Life In Christ*. Harper helps us recognize our tendency to search for life through rules and dogmas rather than in relationships with other people and with God. By living in relationship, we live as enlivened Christians; the abundant life God intends for us and the life we long for. He encourages us to see the spiritual life as a movement where we are always on the way, taking steps forward to continually align our lives with Christ. He shows us how Christ can be the goal and pattern for our lives, motivating us to live as God's beloved and as instruments of God's love. Harper provides a wealth of helps, including a set of questions for reflecting on each chapter, a discussion guide for conversing about the book in a group, and extensive reading lists for further enrichment.

Reflecting and Probing Gerald Parker, 2025-09-24. The author began writing for fun and diversion over seventy years ago. This book contains verse, rhyme, and narratives on a number of topics. Writing about love, patriotism, family, religion, and other subjects has brought variety to this book. Very seldom did the author pick out a subject just to be writing. There was generally an event, person, or circumstance that prompted putting pen to paper. In addition to the poetry, there are the watermelon and air rifle stories. The moral of the stories may be overlooked, but generally there is a moral to them. There is a short story called
