Love Is An Open Door:

Love Is An Open Door Reena Doss, Timi Jolaoso, 2020-05-17 Ever felt like no matter how much we love someone and try our best to please them we always seem inclined to mess or screw things up without meaning to Quite often we forget that love is expressed in many ways and not in the way we ourselves express it This leads to frequent misunderstanding arguments unnecessary pride and feelings of rejection Love in any relationship we learn through experience is not an easy road to maintain unless we give it free reign to manifest itself on a daily basis In this collaboration co authors Timi Jolaoso and Reena Doss explore love s true nature and how it is expressed within the dynamics of a relationship The act of surrender trust and patience in the face of past experiences can be a daunting and terrifying place to put yourself through For though the rewards can be incredibly high the loss can cut deeper than a knife if love is found to be misplaced However if love is found first in the nectar of God s grace love in a relationship transforms into a supernatural gift where fear no longer plays a dominant role Love gets refined and becomes purer in its ability to be more giving rather than self serving Find out what happens to this couple as they struggle to hold on to their independence yet learn to die to themselves in order to seal a deeper love granted to them by Heaven s open door Love

The Bloomsbury Reader in the Study of Myth Jonathan Miles-Watson, Vivian Asimos, 2019-08-22 What is myth? Why do myths exist? What do myths do? Where are myths going? This reader is organized into 4 parts which explore these questions. Drawing on over 10 years of experience teaching myth in religious studies and anthropology departments in the UK, USA, and Continental Europe, the editors have brought together key works in the theory of myth. Key features include a general introduction to the reader that outlines a comparative and interpretative framework, an introduction contextualizing each part and sub-section, an introduction to each reading by the editors, a companion website that provides discussion questions and further reading suggestions, including primary sources. From functionalism to feminism, nationalism to globalization, and psychoanalysis to spatial analysis, this reader covers the classic and contemporary theories and approaches needed to understand what myth is, why myths exist, what they do, and what the future holds for them.

At the Gates of Heaven there is an Open Door leading to a Beulah Tabernacle Alice McCurdy, 2012-05-14 This is a non-fiction book about growing up in the church of Gates of Heaven Pentecostal Churches Incorporated in Philadelphia, Pennsylvania. The Gates of Heaven Pentecostal Church Incorporated ministry started in the 1950s and continues to thrive and grow. It was started by a group of young people and a minister by the name of Minister Lena Thomas. They faithfully stepped out of the boat and decided they could walk on water. At Jesus' command, they took a leap of faith, and as a result, many people have come to know Jesus Christ as their personal savior. Backsliders have restored their rightful place in Jesus' heart. Demons have been cast out. Lives have been permanently changed for the better. All things were not perfect, but where repentance, grace, mercy, and love abide, so does growth and surrender, and the peace that passes
