Over Scotland Alexander MacCall Smith, 2007 **44 Scotland Street: The First Five Novels** Alexander McCall Smith, 2017-02-07

One of Alexander McCall Smith's bestselling series and the funniest 44 Scotland Street is the world's longest running serialized novel and continues to be published weekly in The Scotsman newspaper for three months of each year. The 44 Scotland Street series is truly heart warming, terribly funny and filled with the day to day lives of the residents of 44 Scotland Street, a converted Georgian townhouse in Edinburgh. The first five novels chronicle the episodes that begin when 20 year old Pat rents a room from handsome and cocky Bruce and inherits some delightfully colourful neighbours: Domenica, an insightful and eccentric widow; Bertie, a 5 year old who's mastered both saxophone and Italian; and Irene, his overbearing mother. Pat has a new job at an art gallery where her contemplative boss Matthew spends most of his time drinking coffee in a local caf  and discussing matters great and small with barista Big Lou. Wise and lovelorn Pat's duties are light until she realizes that one of their paintings may be an undiscovered work of a renowned Scottish artist and she discovers that one of their customers may be in on the secret. Add to this a fancy ball, love triangles, an encounter with a famous crime writer, the dog napping of painter Angus Lordie's gold toothed dog with a heart of gold, Cyril and McCall Smith's observations on a wide range of issues including the merits of various forms of olive oil, the domestic economy of contemporary pirate households and our human search for happiness and you have an incredibly entertaining and nuanced portrait of Edinburgh society. In the first five novels, 44 Scotland Street Espresso, Tales of Love, Over Scotland, The World According to Bertie and The Unbearable Lightness of Scones, full of gently satirical humour and sympathy for his characters, McCall Smith offers an affectionate portrait of a city and its people who in his own words make Edinburgh one of the most vibrant and interesting places in the world.

Love in the Time of Bertie Alexander McCall Smith, 2022-05-31

Life for Bertie seems to be moving at a pace that is rather out of his control. In Drummond Place gardens, it seems that Olive has their future together all planned out. Meanwhile upstairs at 44 Scotland Street, Bertie's father Stuart is powerless to stop overbearing Irene and her motion for Bertie to travel to Aberdeen on a three month secondment.

A Time of Love and Tartan Alexander McCall Smith, 2018-02-06

The latest installment of Alexander McCall Smith's perennially popular and irresistibly charming 44 Scotland Street series. When Pat accepts her narcissistic ex-boyfriend Bruce's invitation for coffee, she has no idea of the complications in her romantic and professional life that will follow. Meanwhile, Matthew, her boss at the art gallery, attracts the attention of the police after a misunderstanding at the local bookstore. Whether caused by small things such as a cup of coffee and a book or major events in the lives of Bertie Pollock's parents such as Stuart's application for promotion and his wife Irene's decision to pursue a PhD in Aberdeen, change is coming to Scotland Street. But for three 7 year old boys, Bertie, Randal, and Big Lou's foster son Finlay, it also means getting a glimpse of perfect happiness. Alexander McCall Smith's delightfully witty, wise and sometimes surreal comedy spirals out in surprising ways in this new installment, but its heart remains where it has always been: at the center of life in Edinburgh's New Town.
