**Supporting Students on the Autism Spectrum** Rachel M. McMullin,Kerry R. Walton,2019-04-23 This book will be invaluable for those in the academic library who want to understand how best to serve students on the autism spectrum and how those students can contribute to the library As a large number of students on the autism spectrum come of age and enter college increased awareness of autism spectrum disorder is necessary among those who work in academic libraries so that they can respond to and meet the unique needs of these students This book fills a scholarship gap while serving as a practical resource for working with the neurodivergent student population in academic libraries McMullin and Walton explain issues that are likely to arise when interacting with students on the autism spectrum and offer practical solutions for handling them They discuss how to work with neurodiverse students in different contexts including at service points in the classroom as employees and through outreach programs They highlight possible concerns about the physical environment of the library and demonstrate ways that the library can be an especially positive place for students with ASD Personal anecdotes from students with autism as well as library faculty and staff round out this valuable work

**Semiotics of Rape** Rupal Oza,2022-11-14 In Semiotics of Rape Rupal Oza follows the social life of rape in rural northwest India to reveal how rape is not only a violation of the body but a language through which a range of issues including caste and gender hierarchies control over land and labor and the shape of justice are contested Rather than focus on the laws governing rape Oza closely examines rape charges to show how the victims and survivors of

rape reclaim their autonomy by refusing to see themselves as defined entirely by the act of violation Oza also shows how rape cases become arenas where bureaucrats village council members caste communities and the police debate women s sexual subjectivities and how those varied understandings impact the status and reputations of individuals and groups In this way rape gains meaning beyond the level of the survivor and victim to create a social category By tracing the shifting meanings of sexual violence and justice Oza offers insights into the social significance of rape in India and beyond **My Turn** Doug

Henwood,2016-07-05 Hillary Clinton is running for the presidency with a message of hope and change But as Doug Henwood makes clear in this concise devastating indictment little trust can be placed in her campaign promises Rigorously reviewing her record Henwood shows how Clinton s positions on key issues have always blown with the breeze of expediency though generally around an axis of moralism and hawkishness Without a meaningful program other than a broad fealty to the status quo Henwood suggests the case for Hillary boils down to this she has experience she s a woman and it s her turn **Love Is**

**Love Is Love** Aaron C. Thomas,2023-03-24 The politics of Broadway musicals matter a great deal more to U S American culture than they appear to mean and they are especially important to mainstream politics surrounding sex gender and sexuality Love Is Love Is Love looks to the Broadway musicals of the past decade for help understanding the current state of LGBTQ politics in the United States Through analyses of Promises Promises Newsies Hedwig and the Angry Inch The Color Purple and Frozen this book attempts to move past the question of representational politics and asks us instead to think in more complex ways about LGBTQ identity what LGBTQ politics are and the politics of Broadway musicals themselves Producing new complex readings of all five of these musicals author Aaron C Thomas places each of them within the context of the LGBTQ politics of their day Some of the issues the book treats are controversies of casting the closetedness and openness of musical theatre LGBTQ identities adaptation from movies into musicals and the special power of the musical form by examining how these shows differ from the books and movies on which they re based Love Is Love Is Love places contemporary LGBTQ political tensions and conversations in a new light making this an essential companion for students and scholars of contemporary theatre musical theatre cultural studies Queer studies and gender studies *Urban Mobilities in*

*Literature and Art Activism* Patricia García,Anna-Leena Toivanen,2024-01-31 *Urban Mobilities in Literature and Art Activism* explores the entwinement of mobility and immobility in urban spaces by focusing on their representation in literary narratives but also in visual and performing arts Across a range of geographical contexts this volume builds on the new mobilities paradigm developed by literary scholars sociologists and human geographers The different chapters employ a cohesive framework that is sensitive to the intersecting dimensions of power and discrimination that shape urban kinetic features The contributions are divided into three sections each of which places the focus on a different aspect of urban mobility Itinerant Subjects Modes of Transport and Places of Transit and Urban Liminalities Chapter 7 Alienation Abjection and the Mobile Postcolonial City Public Transport in Ousmane Semb ne s Niiwam and Yvonne Vera s Without a Name is

Heritage Dynamics Kalliopi Fouseki,2022-10-13 How does heritage emerge change stagnate disappear and or revive over time Should heritage be approached as a non renewable resource that needs to be sustained for eternity or as a renewable resource that adapts to change and transformation Heritage Dynamics deconstructs the dynamic nature of heritage Heritage as a socio cultural practice goes through non linear continuous lifecycles where certain factors will be the catalyst for the ending of one lifecycle and the revival for another Kalliopi Fouseki develops a theoretical and methodological framework of heritage dynamics which is used as the analytical thread of six heritage contexts heritage led transformation in historic urban places decision making on energy efficiency and heritage conservation in everyday heritage residential buildings lifecycles of heritage collections exhibition dynamics and the impact of participation with emphasis of difficult heritage dynamics of dissonance on contested museums and the dynamics of intangible heritage with emphasis on flamenco The book offers a new theoretical and methodological framework that will enable heritage scholars and practitioners to unpack the ways and conditions under which heritage changes The new theoretical framework will re orientate current thinking of heritage as a thing a process or discourse towards a new more systemic thinking that captures the complexity of heritage Methodologically Heritage Dynamics introduces the potential of systemic methods such as system dynamics in capturing the dynamic nature of heritage The new theory and method not only opens up new avenues for theoretical explorations but also offers a significant tool for heritage managers and policymakers Narratives of Hope and Grief in Higher Education Stephanie Anne Shelton,Nicole Sieben,2020-04-01 This collection weaves together the personal narratives of a group of diverse scholars in academia in order to reflect on the ways that grief and hope matter for those situated within higher education Each chapter explores a unique aspect of grief and loss from experiencing a personal tragedy such as the loss of a loved one to national and international grief such as campus shootings and refugee camp experiences to experiencing racism and microaggressions as a woman of color in academia to the implications of religious differences severing personal ties as an

individual navigates research and academic studies Unlike most resources examining grief this collection pushes beyond notions of sorrow as solely individual and instead situates moments of loss and hurt as ones that matter politically academically professionally and personally The editors and their authors offer pathways forward to academics researchers teachers pedagogues and thinkers who grapple with grief in a variety of forms transforming this book into a critical resource of hope to those in the field of education and others who may feel the effects of an otherwise solitary journey of grief to create an awareness of solidarity and support that some may not realize exists within academic circles

**Why Kids Love (and Hate) School** Steven P. Jones, Eric C. Sheffield, 2018-11-19 Some students enter classrooms with an I dare you try to teach me look on their faces and others bounce into class excited to learn and anxious to please the teacher We know we can't automatically blame teachers or schools when students don't want to learn But we also know that sometimes teachers and schools don't always set students up for success and they don't always help them love what they're learning Why Kids Love and Hate School Reflections on Practice investigates some of the school and classroom practices that help students love school and some that send students in the opposite direction Intended for classroom teachers teacher education students and school administrators chapters in the book investigate a variety of topics how schools can build effective school cultures the struggle students encounter in learning practices of other countries that help students love school testing practices that cause students to hate school and much more Perfect for courses in Introduction to Education General Methods Management Assessment Educational Research Educational Administration Leadership Teacher Leadership Curriculum Theory Curriculum Development
