Love And Other Small Wars

Jean-Jacques Rousseau

Love And Other Small Wars:

Love and Other Small Wars Donna-Marie Riley, 2013-11-28 *Love and Other Small Wars* reminds us that when you come back from combat usually the most fatal of wounds are not visible Riley's debut collection is an arsenal of deeply personal poems that embody an intensity that is truly impressive yet their hands are tender She enlists you She gives you camouflage a pair of boots so you can stay the course through the minefield of her heart You will track the lovely flow of her soft yet fierce voice through a jungle of powerful imagery on womanhood relationships family grief sexuality love amidst other matters Battles with the heart aren't easily won but Riley hits every mark You'll be relieved that you're on the same side Much like war you'll come back from this book changed

Love and Survival Charles J. Sullivan, 2004-02 Are the words fictional or factual It's your decision This book explains how all life along with the humans entered into this world and gives an insight into its possible destiny The book has only two characters the Supreme Being Sube and Mother Nature Mona They explain the importance of Love and Survival and how our destiny depends upon how well we follow these two rules

Of Love and Other Wars Sophie Hardach, 2013-08-29 At a rally in the Royal Albert Hall two Quaker brothers Paul and Charlie Lamb sign a pledge of peace that only one of them will honour Meanwhile in a draughty Victorian mansion in Hampstead Mr Morningstar wonders why his wife a crystallographer from dynasty of diamond cutters turns into a cursing somnambulist at night while their daughter Miriam comes home from her shifts at the munitions factory with her stockings inside out As the streets throng with khaki the Lambs and the Morningstars must decide how to do good in a world transformed by evil Should a scientist use her skills to maximise civilian casualties Should a Quaker stand by as millions are murdered And is it possible to love someone if you hate their convictions When the two families are torn apart by war Paul is forced to choose between his conscience and the woman he loves *Of Love and Other Wars* is a profoundly moving tale of faith longing and decisions made in the split second of silence between bullets whose repercussions last a lifetime With distinctive flair and dazzling creative energy Sophie Hardach pulls us into lives upended by betrayal violence and passion

The 1956 Suez War and the New World Order in the Middle East Yagil Henkin, 2015-10-22 The 1956 Suez War fought between Egypt and the improbable coalition of Britain France and Israel was a key point in the history of the Middle East and the Arab Israeli conflict A blitzkrieg style Israeli victory proved that Israel's victory in the 1948 war was not an accident to be swiftly fixed by Arab armies and gave the country eleven years of relative peace until the next major conflict An Anglo French blunder marked the decline of British and French influence in the Middle East to be replaced by Soviet and US involvement Egyptian defiance of the great powers of the past marked the high point of Arab nationalism Despite the importance of the Suez conflict almost no comprehensive military history of it exists This book changes this by presenting a clear comprehensive narrative of the conflict with a special emphasis on the military decisions and the short and long term results of the conflict both tactical and strategic military and political

Small Wars Sadie Jones, 2009-09-01 Sadie Jones the award winning and

internationally bestselling author of *The Outcast* returns with an ambitious richly imagined novel that confirms her place in the literary firmament. A passionate and beautifully written tale of personal loss in the midst of war in late 1950s Cyprus, *Small Wars* raises important questions that are just as relevant today. What happens when everything a man believes in—the army, his country, his marriage—begins to crumble? Hal Treherne is a young British soldier on the brink of a brilliant career. Transferred to Cyprus to defend the colony, Hal takes his wife Clara and their daughters with him. But Hal is pulled into atrocities that take him further from Clara, a betrayal that is only one part of a shocking personal crisis to come. *Small Wars* is a searing unforgettable novel from a writer at the height of her powers. **Love & Sleep** John Crowley, 2008-01-29 An occult historian's journey of discovery continues in the second volume of this renowned literary fantasy series by a deliciously elegant writer. In *The Solitudes*, John Crowley introduced readers to Pierce Moffett, a scholar whose area of expertise lies beyond the realm of our daily reality: a land of the imagination known as Gypt. Retreating to the quiet of upstate New York, Moffett discovers the works of Fellows Kraft, an uncanny source of hermetic revelations. Now in *Love Sleep*, Moffett begins to understand the true importance and power of his studies. His search for a secret history of the world has brought him to the threshold of a new era, one in which magic works and angels speak to humankind. John Crowley's Gypt Cycle is widely regarded as a masterpiece of fantasy literature. Harold Bloom included both *The Solitudes* and *Love Sleep* in his *Western Canon*. **How Democracies Lose Small Wars** Gil Merom, 2003-08-04 In this 2003 book, Gil Merom argues that modern democracies fail in insurgency wars because they are unable to find a winning balance between expedient and moral tolerance to the costs of war. Small wars, he argues, are lost at home when a critical minority mass shifts the center of gravity from the battlefield to the marketplace of ideas. Merom analyzes the role of brutality in counterinsurgency, the historical foundations of moral and expedient opposition to war, and the actions states traditionally took in order to preserve foreign policy autonomy. He then discusses the elements of the process that led to the failure of France in Algeria and Israel in Lebanon. In the conclusion, Merom considers the Vietnam War and the influence failed small wars had on Western war making and military intervention. **Ethics in the Analects, the Mencius, and the Mozi** Dongxin Shu, 2023-09-06 This research project focuses on the ethical teachings of Confucius, Mencius, and Mozi, examining the contending theories of the three great thinkers by delving into canonical texts: the *Analects*, the *Mencius*, and the *Mozi*. It deals with Confucius's doctrine of *ren* (benevolence), Mencius's idea of *ren yi* (benevolence righteousness), Mozi's concept of *jian ai* (universal love), and their war theory. The *Analects* and the *Mencius* provide intellectual sources of Confucian justification for democracy. Core Confucian values lend support to China's socialist democracy, while some of Mozi's thoughts align with communist ideas. **Freedom Incorporated** Colleen Woods, 2020-05-15 *Freedom Incorporated* demonstrates how anticommunist political projects were critical to the United States expanding imperial power in the age of decolonization and how anticommunism was essential to the growing global economy of imperial violence in the Cold War era. In this broad historical account, Colleen Woods

demonstrates how in the mid twentieth century Philippines US policymakers and Filipino elites promoted the islands as a model colony In the wake of World War II as the decolonization movement strengthened those same political actors pivoted and after Philippine independence in 1946 lauded the archipelago as a successful postcolonial democracy Officials at Malaca ang Palace and the White House touted the 1946 signing of the liberating Treaty of Manila as a testament to the US commitment to the liberation of colonized people and celebrated it under the moniker of Philippine American Friendship Day Despite elite propaganda from the early 1930s to late 1950s radical movements in the Philippines highlighted US hegemony over the new Republic of the Philippines and in so doing threatened American efforts to separate the US from sordid histories of empire imperialism and the colonial racial order Woods finds that in order to justify US intervention in an ostensibly independent Philippine nation anticommunist Filipinos and their American allies transformed local political struggles in the Philippines into sites of resistance against global communist revolution By linking political struggles over local resources like the Hukbalahap Rebellion in central Luzon to a war against communism American and Filipino anticommunists legitimized the use of violence as a means to capture and contain alternative forms of political economic and social organization Placing the post World War II history of anticommunism in the Philippines within a larger imperial framework in Freedom Incorporated Woods illustrates how American and Filipino intelligence agents military officials paramilitaries state bureaucrats academics and entrepreneurs mobilized anticommunist politics to contain challenges to elite rule in the Philippines

In love and war Charles Gibbon, 1880 *Men Against Myths* Fred Greenbaum, 2000-07-30 Greenbaum examines the use of myth as a means of social control and examines the corporate mythology of the Gilded Age Progressive politicians led the opposition to these myths arguing that government was not to be used to enrich corporations but to reduce their economic and political power and to increase equity The progressive challenge redirected government to serve the larger commonwealth and thus transformed ordinary lives Gilded Age mythology resurrected in the 1980s restored corporate domination and economic inequity Through his extensive analysis of the lives of six prominent Progressives Greenbaum seeks to contravene contemporary mythology He begins with George Norris of Nebraska a Republican Congressman and Senator from 1906 until 1942 William E Borah Republican of Idaho who served in the Senate from 1906 until his death in 1940 and Hiram Johnson who was Republican Governor of California Progressive Vice Presidential candidate in 1912 and Senator from 1916 until his demise in 1945 These chapters are followed by an examination of William Gibbs McAdoo a New York business promoter who was Wilson s Secretary of the Treasury the leading candidate for the 1924 Democratic Presidential nomination and Senator from California from 1932 until 1938 Bainbridge Colby a New York legislator who supported Theodore Roosevelt in 1912 and was Wilson s last Secretary of State and Edward P Costigan Colorado Republican who became the Progressive appointee to the Tariff Commission and Democratic Senator from 1930 through 1936 The volume concludes with an analysis of the progressive impulse and contrasts progressive views with

resurrected Gilded Age mythology the new ideas of the 1980s An important study for scholars students and other researchers interested in progressivism and the role of government in American socioeconomic life and intelligent readers interested in ideas
