greatest manual on Biblical counseling ever produced **New Testament Christianity, Vol. 1** Z. T. Sweeney, 2018-03-01 When I was a young preacher I had a great horror of plagiarism This led me to fail to use many a good book's contents for fear that some of my members should have a copy of it This book and its contents can be freely drawn upon without any such fear The articles in this book have most of them been out of print for half a century There are only a few of this generation that have ever seen them Besides they are not private property but the legacy of us all From To the Recipient by Z T Sweeney

Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God *The Branch Exposition of the Bible, Volume 1* Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture **Toronto Blessing Charismatic Deception Volume 1** K B Napier, 2019-07-14 The Toronto Blessing TB was planned by charismatic leaders who saw their movement dwindling in numbers Though planned it became obvious that Satan took it over and the effects hit the churches worldwide like a runaway truck It only lasted about two years but its destructive force is still with us in the now mainstream charismatic movement Many churches that allowed the TB through its doors thought it would save their existence and save souls but it did not Churches hit in the face by the vile movement were ruined deceived and far from God Thousands of individual Christians were shattered The various manifestations were accepted and called as from God though they were so blatantly satanic and wicked When the storm passed many churches were shamed into pretending it never happened but they did not repent or publicly disown the movement This book and others in the series MUST warn churches of a similar movement if it arises which it will Its history MUST be told *Themelios, Volume 43, Issue 3* D.
