Rekindled Karen Wiesner, 2025-05-31 Landon Robinson and Nickira Cassidy met and fell hard The only child of filthy rich parents she's an heiress with obligations to fulfill Her father had picked out the son of a close business associate for her when she was just a teenager and she was already engaged years in advance of the anticipated wedding of the century Landon convinced her to give it all up for him He'd never fallen for any woman before but he lost his head completely over Nickira Her family disowned her when she got pregnant In the fallout a princess realized she wasn't cut out for squalor and a dirt poor playboy didn't have the skills to hold onto the heaven he never expected to capture Forty years later divorced neither of them feel any older or wiser Reconciling how badly they'd messed up the one thing in their lives they both wish they'd given themselves to unconditionally seems impossible Can dying embers rekindle

A Perfect Match Karen Wiesner, 2019-11-30 At nearly 40 Dante Robinson has never been in a relationship that wasn't more than a one night stand His nephew a college student living in the upstairs apartment of his garage reveals that on a lark he and his friend started an online dating company Perfect Match Dante insists he shut it down until the kid offers to hook him up with a naughty librarian Lena Young has worked two jobs since she was in high school She's 30 and raises the daughter of her abusive older brother a truck driver as if she's her own When her friend convinced her to sign up for Perfect Match she couldn't get herself to go through it until Dante responds to her profile Developing a major crush on her brother's

best friend hadn't been difficult when Lena was a sheltered girl but Dante hasn't been back to their house in 16 years. After she agrees to meet him without telling him who she is, she discovers he only invited her over to his house to get laid. She's mortified but when an equally humiliated Dante comes to the truck stop diner she works on the weekends and apologizes, begging her to forgive him, she can't turn him away. Wanting to tell him to hit the road, she instead finds herself believing him, championing his determination to become a better man, convinced that with him she could have one thing in her life that brings her the kind of joy she's always dreamed of but has never considered possible. *Playing Games* Randolph

Feezell, 2016-10-26 What is sport? Why does sport matter? How can we use philosophy to understand what sport means today? This engaging and highly original introduction to the philosophy of sport uses dialogue, a form of philosophical investigation, to address the fundamental questions in sport studies and to explore key contemporary issues such as fair play, gender, drug use, cheating, entertainment, and identity. Providing a clear, informative, and accessible introduction to the philosophy of sport, every chapter includes current sporting examples as well as review questions and guides to further reading. The dialogue form enables students to engage in debate and raise questions while encouraging them to think from the perspectives of athlete, coach, spectator, and philosopher. The issues raised present real and complex ethical dilemmas that relate to a variety of sports from around the world, such as soccer, athletics, baseball, basketball, hockey, and tennis. No other book brings this rich subject to life through the use of dialogue, making this an indispensable companion to any course on the philosophy or ethics of sport. **Destiny** Karen Wiesner, 2013-03

How do you know destiny when it knocks on your door or recognize it if it's always been there? Christian Riley, Elizabeth Horace, and Oscar Albright grew up together, the clichéd church kids, but Chris quickly found everything about his life stifling. When he moves to Los Angeles to get away from everything, his existence has dictated for him; he doesn't expect Elizabeth to follow him, but he's known for as long as he can remember that she loves him obsessively, just as Oscar loves her. With Chris's faith in tatters, he has no interest in Christianity, let alone morality. Yet in the thirteen years that follow, he finds himself returning to Elizabeth whenever he hits rock bottom. Deep down, he understands she alone will always love him, no matter how far he strays or how much he hurts her when he uses her as his last ditch refuge. When a serial killer rapist's attack on Elizabeth is mercifully thwarted, Chris's world collapses in on him with guilt and horror coming at him from every corner. The attack has changed Elizabeth. She realizes she's put her life on hold for too long, praying for Chris to share her belief that their love and life together is destined. After she severs the ties between them, Chris knows the only way to get her back is to give himself to the Lord. God begins changing him from the inside out, but too little, too late, has he fallen in love when his angel of mercy is no longer available to him. **Flesh & Blood** Karen
