Through a lively narrative and insightful stories Jennifer Parker Talwar gives a full sense of what it's like to live in both a global economy and a local culture Sharon Zukin author of *The Cultures of Cities* No longer just pocket money for American teens wages paid by multinational fast food chains are going to a new generation of order takers burger flippers and basket fryers newly arrived immigrants hailing from China the Caribbean Latin America and India a colorful sea of faces has taken its place behind one of the most ubiquitous American business institutions the fast food counter They have become a vital link between the growing service sector in our cities ethnic enclaves and the multi billion dollar global fast food industry For four years sociologist Jennifer Parker Talwar went behind the counter herself and listened to immigrant fast food workers in New York City's ethnic communities They talked about balancing their low paying jobs and monotonous daily reality with keeping the faith that these very jobs could be the first step on the path to the American Dream In this original and compelling work of ethnography Talwar shows that contrary to those arguing that the fast food industry only represents an increasing homogenization of the American workforce fast food chains in immigrant communities must and do adapt to their surroundings

Managerial Control of American Workers Mel van Elteren, 2017-03-04 Today surveillance and regulation of employees are pervasive at all levels except the highest in a wide variety of American workplaces Digital information systems have become important tools of managerial control The constraints built into these systems by so called business process reengineering are a continuation of scientific management principles developed during the late 19th century Additional means of control have included employment based welfare capitalism and human relations and corporate culture approaches This book provides fresh insight into various practices of managerial control from the 1880s to the present and their effects on work organization and quality and worker skill requirements The author highlights current developments including those focused on highly skilled knowledge workers accounting for enhanced automation offshoring and related changes in the production and distribution of goods and services

[The Economics of Franchising](#) Roger D. Blair, Francine Lafontaine, 2005-04-11 This 2005 book describes in much detail both how and why franchising works It also analyses the economic tensions that contribute to conflict in the franchisor franchisee relationship The treatment includes a great deal of empirical evidence on franchising its importance in various segments of the economy the terms of franchise contracts and what we know about how all these have evolved over time especially in the US market A good many myths are dispelled in the process The economic analysis of the franchisor franchisee relationship begins with the observation that for franchisors franchising is a contractual alternative to vertical integration Subsequently the tensions that arise between a franchisor and its franchisees who in fact are owners of independent businesses are examined in turn In particular the authors discuss issues related to product quality control tying arrangements pricing location and territories advertising and termination and renewals

The Project Share Collection, 1976 Cumulates abstracts which appeared in *Journal of human services abstracts* [The Project Share Collection, 1976-1979](#) Project Share, 1979 **Sociology** James Fulcher, John

Scott,2011-03-17 Sociology is relevant to current teaching and courses dealing with sociology as a living subject and incorporating the classic traditions of the discipline This new edition has been updated with a range of new case studies and additional chapters
