Changing Addiction Problems and Care Responses During and After a Major Crisis: Emergence of a 'New Normal' John Strang , Julia Rozanova, Alexandra A. Deac , Harry Skipper, 2024-07-24 Despite its lifesaving role addiction treatment and care are often among the first domains to lose resources when a crisis strikes Across the world disruptions in addiction related care during the Covid 19 pandemic armed conflict or radical political change have been documented But what happens after the crisis is typically unknown How do addiction related problems change during a

crisis and what are the responses at individual and societal level How do crises affect causes prevalence incidence or severity of addiction in different regions and populations Does the addiction care system permanently collapse or is the breakdown temporary and reversible How does a crisis evolve and what happens to addiction care services and their beneficiaries over time Is residual damage to addiction care services inevitable or can a crisis create opportunities for positive change at individual organizational and or system level Are harms and benefits un equally distributed among different addiction stakeholder groups And finally what does a new normal look like in addiction and addiction care and what new norms underpin it These questions not only encompass the importance of such a topic but also the implications on public health that are applicable worldwide that need to be addressed

The Police Manager Egan K. Green,Ronald G. Lynch,Scott R. Lynch,2017-09-29 The Police Manager 8th Edition is a major update with a completely fresh chapter on school resource officers based on a new case study and a new chapter on managing high profile events Every police agency today faces the possibility of controversy and the need to train managers to deal appropriately with the media and the public continues to increase Green building on the foundation laid by Ronald Lynch in prior editions gives practical field tested guidance to students and professionals who aspire to leadership roles in law enforcement providing a comprehensive explanation of issues and challenges that they will face as police supervisors The book is divided into four parts covering historical and philosophical underpinnings behavioral aspects of police management functional aspects of police management and major issues in modern police work This eighth edition is ideal for police management courses in U S undergraduate criminal justice programs as well as for law enforcement practitioners preparing for promotional examinations The text is also appropriate for broader criminal justice management courses
