Europe's Scramble for Africa: Why Did They Do It? , **Scramble for Africa** Kevin Funk, Steven Fake, 2009 As massive human suffering continues to engulf the Darfur region of Sudan the crisis has garnered a rhetorical circus of saber rattling and hand wringing from Western politicians media and activists Yet such bluster has not halted the violence In a careful yet scathing indictment of this constellation of holier than thou government leaders corporate media outlets and spoon fed NGOs Steven Fake and Kevin Funk reveal the myriad ways in which the West has failed Darfur Eschewing liberal fantasies of Western benevolence Fake and Funk unmask the hard reality behind humanitarian intervention advocacy painting a disturbing portrait of Washington's past and present relations with some of the worst elements in power in Khartoum Book jacket

The Scramble for Africa Robin Brooke-Smith, 1987-11-11 The extended plan of the series is designed in response to the changing trends in history examinations at 18 plus which now demand the study of documentary sources and the testing of historical skills Each volume similar in format to the earlier books in the series concentrates on a particular topic within a narrower time span A general introduction to the period in question is followed by eight sections dealing with a major theme Each section consists of an introduction a series of documents to illustrate the theme drawn mainly from primary sources and sets of questions following groups of documents The student is thus introduced to a wider range of sources than that to be found in the standard textbook

The Ideological Scramble for Africa Frank Gerits, 2023-03-15 In *The Ideological Scramble for Africa* Frank Gerits examines how African leaders in the 1950s and 1960s crafted an anticolonial modernization project Rather than choose Cold War sides between East and West anticolonial nationalists worked to reverse the psychological and cultural destruction of colonialism Kwame Nkrumah's African Union was envisioned as a federation of liberation to challenge the extant imperial forces the US empire of liberty the Soviet empire of equality and the European empires of exploitation In the 1950s the goal of proving the potency of a pan African ideology shaped the agenda of the Bandung Conference and Ghana's support for African liberation while also determining what was at stake in the Congo crisis and in the fight against white minority rule in southern and eastern Africa In the 1960s the attempt to remake African psychology was abandoned and socioeconomic development came into focus Anticolonial nationalists did not simply resist or utilize imperial and Cold War pressures but drew strength from the example of the Haitian Revolution of 1791 in which Toussaint Louverture demanded the universal application of Europe's Enlightenment values The liberationists of the postwar period wanted to redesign society in the image of the revolution that had created them *The Ideological Scramble for Africa* demonstrates that the Cold War struggle between capitalism and Communism was only one of two ideological struggles that picked up speed after 1945 the battle between liberation and imperialism proved to be more enduring

the Gospel of the Lion of Judah, a student's guide Roland van Reenen, 2011-12-08 We must become something we have never been and for which our education and experience and environment have ill prepared us In this

speech of Emperor Haile Selassie I he is urging us to become something for which our education have ill prepared us for The Gospel of the Lion of Judah is a response to that call of Haile Selassie I to prepare the upcoming generations for the world he envisioned This book contains those timeless extracts of the vision of Haile Selassie I It does not claim to be complete but it wants to serve as a guiding light for the new generations It merely wants to sow some seeds of the high ideals and morality of His Majesty in the still fertile minds of the youths Seeds which might be nurtured and taken care after by the questions and tasks at the end of each chapter With these tasks the students are invited to look into the world around them but more important invited to look into themselves into the depths of their souls to find their own answers to the demands of a new race

The Scramble for Africa in the 21st Century Paul Hcourt,Mark Melliush,2017-07 *King Leopold's Congo and the "Scramble for Africa"* Michael A. Rutz,2018-03-01 King Leopold of Belgium s exploits up the Congo River in the 1880s were central to the European partitioning of the African continent The Congo Free State Leopold s private colony was a unique political construct that opened the door to the savage exploitation of the Congo s natural and human resources by international corporations The resulting red rubber scandal which laid bare a fundamental contradiction between the European propagation of free labor and civilization and colonial governments acceptance of violence and coercion for productivity s sake haunted all imperial powers in Africa Featuring a clever introduction and judicious collection of documents Michael Rutz s book neatly captures the drama of one king s quest to build an empire in Central Africa a quest that began in the name of anti slavery and free trade and ended in the brutal exploitation of human lives This volume is an excellent starting point for anyone interested in the history of colonial rule in Africa Jelmer Vos University of Glasgow
