Your Employee Handbook Healthcare Version
Jackie Wells Smith, 2012-02-17

Increase Your Employees Productivity and Save Time and Money with Your Employee Handbook Healthcare Version. Your Employee Handbook Healthcare Version was created for medical professionals such as physicians, dentists, labs, testing facilities, and other similar businesses that offer healthcare services. From management to hourly workers, the policies and procedures are written to emphasize patient service and procedures, HIPPA privacy standards, and patient interaction with sensitivity to the unique needs of a care-oriented business. The Handbook features policies specific to medical offices, such as patient flow, procedures, privacy guidelines, in addition to HIPPA, a professional standards statement, mail, telephone, patient welcome procedures, medical office patient preparation, emergency situations, and more. The policies include updated hiring, termination, performance evaluations, and payroll disciplinary procedures and general company standards. The system also includes dozens of ready-to-use policies written and edited for clarity and to meet all federal and state guidelines. Unlike other employee handbook products, *Your Employee Handbook for Healthcare Providers* is a complete human resources system that provides you with all the tools you need for effective staff management. *Your Employee Handbook Healthcare Version* was especially written for small manufacturing businesses with 100 employees or less. It was created by a practicing expert in the human resources field and reviewed by an attorney specializing in employment law. When you purchase *Your Employee Handbook Healthcare Version*, you get access to the editable Word file, no re-typing, and the Employer's Poster Kit Online at no additional charge, with free registration to our website. As a registered purchaser, you receive free, forever access to your purchased files, Special Reports, the Reference Library, and Policy Vault, and get notices of upgrades and revisions. See the instruction pages of the handbook for the registration link to our site. As you hire people to help handle your success, the task of managing your employees can take more time and effort than any other part of running a business. Very few small business owners even consider an employee handbook until something goes wrong. But there are many important reasons why you need one: reasons that will save you time and money. Managing your employees with the professional human resources systems used by the top corporations will not only protect your business in case of a problem, it will increase performance and productivity in your employees.
