Guinness World Records Celebrating 60 Years Guinness World Records,2015-01-05 For 60 years Guinness World Records has celebrated the world's most remarkable human and animal achievements, natural wonders and feats of innovation. In doing so, it has inspired generations of record setters and GWR fans alike and has set its own record for all-time bestselling annual publication over 130 million copies sold. In this special diamond anniversary book, we share 60 of the most iconic, heart-warming and world-changing records year by year from 1955 to today. Illustrated with stunning photography, these records show how Guinness World Records has acted as a mirror to the evolving world around us. From pioneering space exploration and unrivalled sporting achievements to supersized animals and incredible human bodies, there's something here for everyone. Perhaps it will even inspire the next generation of record breakers.

**Guinness World Records 2020** Guinness World Records,2019-09 Celebrate the dawning of a new decade with the fully revised Guinness World Records 2020. To kick off the 20s, we've created an electrifying new cover and curated a record-breaking edition packaged with thousands of new, updated and classic superlatives, hundreds of never-before-seen images and a selection of eye-opening photo composites that put a new spin on record-breaking. A new decade means it's time for a fresh approach, so starting with our front cover, we've rebooted record-breaking with an all-new design. There's a new look inside too, and thanks to our team of digital artists, we've created mind-blowing poster pages that will reveal some of our classic record holders in a whole new light. Our ever-expanding pool of international consultants and experts help us make sense of the world around us, so join us as we explore the vast spectrum of record-breaking in 11 superlative-packed chapters. As always, we're committed to bringing you record-breaking from the cutting edge of science, and this year we've produced a feature chapter on remarkable robots with the help of award-winning tech blogger Evan Ackerman. We've also been out on the road adjudicating records at events as diverse as the UK National Pet Show Skill Con in Las Vegas and BubbleFest in Wales. Guinness World Records is nothing without its dedicated record breakers, so we've also selected the best of the newly approved claims from the 50,000 applications received from the public over the past 12 months. If you want to be one of those lucky few, look out for the Do Try This At Home challenges in the VIRAL SPORTS chapter; you might even make it into next year's edition.
