Cuba Amnesty International. International Secretariat,1997 Labor Camp Socialism: The Gulag in the Soviet
Totalitarian System Galina Mikhailovna Ivanova,Donald J. Raleigh,Galina Mikhailovna,Carol A. Flath,2015-07-17 This is the first historical survey of the Gulag based on newly accessible archival sources as well as memoirs and other studies published since the beginning of glasnost Over the course of several decades the Soviet labor camp system drew into its orbit tens of millions of people political prisoners and their families common criminals prisoners of war internal exiles local officials and prison camp personnel This study sheds new light on the operation of the camp system both internally and as an integral part of a totalitarian regime that institutionalized violence as a universal means of attaining its goals In Galina Ivanova s unflinching account all the more powerful for its austerity the Gulag is the ultimate manifestation of a more pervasive and lasting distortion of the values of legality labor and life that burdens Russia to the present day Guantanamo Michael Ratner,Ellen Ray,2004 Guant namo What the World Should Know teams human rights lawyer Michael Ratner with political journalist Ellen Ray to reveal the truth about the Guant namo Bay Naval Station prison camp and the creation of a new network of U S detention centres around the world The U S administration insists that the prisoners within Guant namo have no rights and can be interrogated for as long and as intensively as their captors wish At the end of June 2004 the US Supreme Court ruled against Bush Administration claims that the American military could hold enemy combatants indefinitely without charge and without access to legal representation Guant namo What the World Should Know is the most authoritative account to date on President Bush s moves toward a network of detention centres a system without accountability which flouts both U S and international law Author Michael Ratner President of the Center for Constitutional Rights was at the centre of this storm as co counsel on Rasul v Bush the historic case of Guant namo detainees just decided upon by the U S Supreme Court Gathered together for the first time this book includes the governmental memoranda that created the framework in which the inhuman conditions at Guant namo Bay and Abu Ghraib could be condoned It also includes a letter from two recently released British Guantanamo detainees Shafiq Rasul and Asif Iqbal outlining the unchecked brutal treatment and torture which are systemic and widespread in the camp The chasm between constitutional ideal and actual policy that Guant namo opens up is one more illustration of the capacity for absolute power to corrupt absolutely Ratner and Ray at least give us the facts we need to solidify our own stand against the Bush administration s neo medievalism Feel outraged then get active Anita Roddick activist and founder of The Body Shop
