

The book cover features a central, stylized illustration of a human face, possibly a classical statue, rendered in a dark, almost black color. The face is set against a background of vibrant, swirling colors in shades of red, orange, and yellow, which resemble a nebula or a complex, organic pattern. The overall aesthetic is abstract and evocative, suggesting themes of perception, technology, and the human condition. The title 'the gutenberg galaxy' is written in a bold, white, sans-serif font, with the word 'the' in a smaller size and lowercase, while 'gutenberg' and 'galaxy' are in larger, all-caps letters. The author's name 'MARSHALL McLUHAN' is at the bottom in a similar bold, white, sans-serif font, with 'MARSHALL' in all caps and 'McLUHAN' in title case.
