

Chapter Six Comprehension Questions for

GUTS By Gary Paulsen

Directions: Use details from the book to answer the questions below. Remember to restate the question, answer all parts of the question, and check your work when you have completed each response.

1. How might the Hatchet excerpt from the beginning of chapter 6 represent Paulsen in real life?

2. On page 135, Paulsen says that "we take so much for granted when it comes to eating that we almost always forget how easy we have it." Tell of an example of how that is true about food "in a school".

3. Create a sequence of four written or drawn directions that show how to make a birch bark container in the wilderness. Include captions and labels if needed.
