

"Just as *Mening Opheia* introduced readers to the culture of teenage girls, *Guyland* takes us to the land of young men."
—Mary Pipher, Ph.D., author of *Mening Opheia*

GUYLAND

THE PERILOUS WORLD WHERE BOYS BECOME MEN
UNDERSTANDING THE CRITICAL YEARS BETWEEN 16 AND 26

MICHAEL KIMMEL
AUTHOR OF *MANHOOD IN AMERICA*

Guyland The Perilous World Where Boys Become Men

Anthony Synnott

Guyland The Perilous World Where Boys Become Men:

Guyland Michael Kimmel, 2009-10-13 One of the most eminent scholars and writers on men and masculinity and the author of the critically acclaimed *Manhood in America* turns his attention to the culture of guys aged 16 to 26 their attitudes their relationships their rules and their rituals Kimmel is our seasoned guide into a world that unless we are guys we barely know exists As he walks with us through dark territories he points out the significant and reflects on its meaning Mary Pipher Ph D author of *Reviving Ophelia* The passage from adolescence to adulthood was once clear Today growing up has become more complex and confusing as young men drift casually through college and beyond hanging out partying playing with tech toys watching sports But beneath the appearance of a simple extended boyhood a more dangerous social world has developed far away from the traditional signposts and cultural signals that once helped boys navigate their way to manhood a territory Michael Kimmel has identified as Guyland In mapping the troubling social world where men are now made Kimmel offers a view into the minds and times of America's sons brothers and boyfriends and he works toward redefining what it means to be a man today and tomorrow Only by understanding this world and this life stage can we enable young men to chart their own paths stay true to themselves and emerge safely from Guyland as responsible and fully formed male adults

Guyland Michael Kimmel, 2018-07-24 One of the most eminent scholars and writers on men and masculinity and the author of the critically acclaimed *Manhood in America* turns his attention to the culture of guys aged 16 to 26 their attitudes their relationships their rules and their rituals Kimmel is our seasoned guide into a world that unless we are guys we barely know exists As he walks with us through dark territories he points out the significant and reflects on its meaning Mary Pipher Ph D author of *Reviving Ophelia* The passage from adolescence to adulthood was once clear Today growing up has become more complex and confusing as young men drift casually through college and beyond hanging out partying playing with tech toys watching sports But beneath the appearance of a simple extended boyhood a more dangerous social world has developed far away from the traditional signposts and cultural signals that once helped boys navigate their way to manhood a territory Michael Kimmel has identified as Guyland In mapping the troubling social world where men are now made Kimmel offers a view into the minds and times of America's sons brothers and boyfriends and he works toward redefining what it means to be a man today and tomorrow Only by understanding this world and this life stage can we enable young men to chart their own paths stay true to themselves and emerge safely from Guyland as responsible and fully formed male adults

Guyland Michael Kimmel, 2018-07-24 One of the most eminent scholars and writers on men and masculinity and the author of the critically acclaimed *Manhood in America* turns his attention to the culture of guys aged 16 to 26 their attitudes their relationships their rules and their rituals Kimmel is our seasoned guide into a world that unless we are guys we barely know exists As he walks with us through dark territories he points out the significant and reflects on its meaning Mary Pipher Ph D author of *Reviving Ophelia* The passage from adolescence to adulthood was once clear Today growing up has become

more complex and confusing as young men drift casually through college and beyond hanging out partying playing with tech toys watching sports But beneath the appearance of a simple extended boyhood a more dangerous social world has developed far away from the traditional signposts and cultural signals that once helped boys navigate their way to manhood a territory Michael Kimmel has identified as Guyland In mapping the troubling social world where men are now made Kimmel offers a view into the minds and times of America's sons brothers and boyfriends and he works toward redefining what it means to be a man today and tomorrow Only by understanding this world and this life stage can we enable young men to chart their own paths stay true to themselves and emerge safely from Guyland as responsible and fully formed male adults

Sociologists in Action Kathleen Odell Korgen, 2013-03-14 Brings the subject matter of sociology to life for students Linking theory and practice this textbook explores how sociological knowledge is used in the community to fight for social change and justice

Reformed Resurgence Brad Vermurlen, 2020-11-02 One of the most significant developments within contemporary American Christianity especially among younger evangelicals is a groundswell of interest in the Reformed tradition In *Reformed Resurgence* Brad Vermurlen provides a comprehensive sociological account of this phenomenon known as New Calvinism and what it entails for the broader evangelical landscape in the United States Vermurlen develops a new theory for understanding how conservative religion can be strong and thrive in the hypermodern Western world His paradigm uses and expands on strategic action field theory a recent framework proposed for the study of movements and organizations that has rarely been applied to religion This approach to religion moves beyond market dynamics and cultural happenstance and instead shows how religious strength can be fought for and won as the direct result of religious leaders strategic actions and conflicts But the battle comes at a cost For the same reasons conservative Calvinistic belief is experiencing a resurgence present day American evangelicalism has turned in on itself Vermurlen argues that in the end evangelicalism in the United States consists of pockets of subcultural and local strength within the cultural entropy of secularization as religious meanings and coherence fall apart

Reading the Bromance Michael DeAngelis, 2014-06-01 Film and television scholars as well as readers interested in pop culture and queer studies will enjoy the insights of *Reading the Bromance*

The Rage of Innocence Kristin Henning, 2021-09-28 A brilliant analysis of the foundations of racist policing in America the day to day brutalities largely hidden from public view endured by Black youth growing up under constant police surveillance and the persistent threat of physical and psychological abuse Storytelling that can make people understand the racial inequities of the legal system and restore the humanity this system has cruelly stripped from its victims New York Times Book Review Drawing upon twenty five years of experience representing Black youth in Washington D C's juvenile courts Kristin Henning confronts America's irrational manufactured fears of these young people and makes a powerfully compelling case that the crisis in racist American policing begins with its relationship to Black children Henning explains how discriminatory and aggressive policing has socialized a generation of Black teenagers to fear resent and resist the police

and she details the long term consequences of racism that they experience at the hands of the police and their vigilante surrogates. She makes clear that unlike White youth who are afforded the freedom to test boundaries experiment with sex and drugs and figure out who they are and who they want to be Black youth are seen as a threat to White America and are denied healthy adolescent development. She examines the criminalization of Black adolescent play and sexuality and of Black fashion hair and music. She limns the effects of police presence in schools and the depth of police induced trauma in Black adolescents. Especially in the wake of the recent unprecedented worldwide outrage at racial injustice and inequality *The Rage of Innocence* is an essential book for our moment.

Re-Thinking Men Anthony Synnott, 2016-04-08 Much writing on men in the field of gender studies tends to focus unduly almost exclusively on portraying men as villains and women as victims in a moral bipolar paradigm. *Re-Thinking Men* reverses the proclivity which ignores not only the positive contributions of men to society but also the male victims of life including the homeless the incarcerated the victims of homicide suicide accidents war and the draft and sexism as well as those affected by the failures of the health education political and justice systems. Proceeding from a radically different perspective in seeking a more positive balanced and inclusive view of men and women this book presents three contrasting paradigms of men as Heroes Villains and Victims. With the development of a comparative and revised gender perspective drawing on US Canadian and UK sources this book will be of interest to scholars across a range of social sciences.

Overcoming Masculine Depression John Lynch, John R. Lynch, Christopher Kilmartin, 2013-08-21 In *Overcoming Masculine Depression* psychologists John Lynch and Christopher Kilmartin present a model that provides new ways of understanding men's behaviors. This unique book does not portray men as victims but seeks to increase awareness that a great deal of depression in men is misunderstood and quite often misdiagnosed. Many men act out their symptoms through anger workaholism and relationship conflict. Underlying these behaviors are chronic feelings of being hopeless helpless and worthless. Men can learn to recognize symptoms of masculine depression and take steps to reclaim their lives and relationships and the authors offer many strategies for doing so. Numerous case examples are provided to illustrate the various dynamics of male depression. New to this edition are chapters on self regulation and impulse control and the application of evidence based treatment for depression to the symptoms of male depression. This is an essential resource for all helping professionals who work with male clients as well as for men experiencing symptoms of depression and the people in their lives.

Men and Masculinities in Irish Cinema D. Ging, 2012-12-03 Spanning a broad trajectory from the New Gaelic Man of post independence Ireland to the slick urban gangsters of contemporary productions this study traces a significant shift from idealistic images of Irish manhood to a much more diverse and gender politically ambiguous range of male identities on the Irish screen.

Toxic Masculinity, Casino Capitalism, and America's Favorite Card Game Andrew Manno, 2020-02-19 Poker is a centuries old American game. Why has it become so popular in the twenty first century? What does current interest in the game tell us about ourselves and some of

our most pressing social issues In this timely and thought provoking book Andrew Manno offers important insights into the intersection of gaming gender and capitalism that illuminate how the shift to a casino capitalist economy combined with a culture of toxic masculinity impacts workers and how it has led to the rise of populism in the United States that manifested in the 2016 election of Donald Trump , **Men and Masculinities** Daniel Tillapaugh, Brian L. McGowan, 2023-07-03 There continues to be much concern about the retention and persistence of men in college particularly Black Latinx and Native American men In addition queer and trans men also have found institutions to be problematic spaces For those who do persist we know that men are overrepresented in student conduct cases and engage in risky behaviors around alcohol drug use and sexual relationships Additionally we know that college men have historically avoided engaging in help seeking behaviors for their academic and personal success This book addresses the ways that theory can be put into practice for powerful transformative learning to support college men and their development This book synthesizes the research of the past three decades on college men to inform college student educators on the developmental needs of college men and illuminates how young men are socialized prior to their arrival to campus but perhaps more importantly how the collegiate environment becomes a training ground for the socialization of masculinities by students their peers and their environments Beyond that it sets out how practitioners can help young men understand why and how they have been socialized around their gender identity but also what their gender identity and sense of masculinity means for their future selves The book highlights programs and services designed to have college men engage with and dialogue around issues of hegemonic toxic or unhealthy aspects of masculinity These promising practices can offer college men opportunities to understand their power privilege and identity in ways that can be affirming and healthier leading to more life giving chances This is all the more important in the context of an ever evolving society where traditionally held norms and expectations around gender particularly masculinities are shifting This book equips student affairs staff faculty and administrators to better support college men s development It offers readers insights ideas and models for adapting and developing programs services and initiatives that may meaningfully meet the needs of specific student populations while recognizing that there is no one size fits all approach to this work **Men Speak Out** Shira Tarrant, 2013-02-11 *Men Speak Out* Views on Gender Sex and Power Second Edition highlights new essays on pornography pop culture queer identity Muslim masculinity and the war on women With personal candor and political insight this collection of diverse authors explores sex work digital activism incarceration domestic violence surviving incest and standing firmly as male allies facing the backlash against women s reproductive rights Featuring eleven new essays and six revised thematic sections this second edition of a favorite anthology continues to encourage robust discussion and vibrant debate about masculinity and the possibilities for progressive change The contemporary compelling essays in *Men Speak Out* appeal to students scholars activists and everyday readers *Rules of Estrangement* Joshua Coleman, PhD, 2024-09-03 A guide for parents whose adult children have cut off contact that reveals

the hidden logic of estrangement explores its cultural causes and offers practical advice for parents trying to reestablish contact with their adult children Finally here s a hopeful comprehensive and compassionate guide to navigating one of the most painful experiences for parents and their adult children alike Lori Gottlieb psychotherapist and New York Times bestselling author of *Maybe You Should Talk to Someone* Labeled a silent epidemic by a growing number of therapists and researchers estrangement is one of the most disorienting and painful experiences of a parent s life Popular opinion typically tells a one sided story of parents who got what they deserved or overly entitled adult children who wrongly blame their parents However the reasons for estrangement are far more complex and varied As a result of rising rates of individualism an increasing cultural emphasis on happiness growing economic insecurity and a historically recent perception that parents are obstacles to personal growth many parents find themselves forever shut out of the lives of their adult children and grandchildren As a trusted psychologist whose own daughter cut off contact for several years and eventually reconciled Dr Joshua Coleman is uniquely qualified to guide parents in navigating these fraught interactions He helps to alleviate the ongoing feelings of shame hurt guilt and sorrow that commonly attend these dynamics By placing estrangement into a cultural context Dr Coleman helps parents better understand the mindset of their adult children and teaches them how to implement the strategies for reconciliation and healing that he has seen work in his forty years of practice *Rules of Estrangement* gives parents the language and the emotional tools to engage in meaningful conversation with their child the framework to cultivate a healthy relationship moving forward and the ability to move on if reconciliation is no longer possible While estrangement is a complex and tender topic Dr Coleman s insightful approach is based on empathy and understanding for both the parent and the adult child

Masculinities in Higher Education Jason A. Laker, Tracy Davis, 2011-07-15 *Masculinities in Higher Education* provides empirical evidence theoretical support and developmental interventions for educators working with college men both in and out of the classroom The critical philosophical perspective of the text challenges the status quo and offers theoretically sound educational strategies to successfully promote men s learning and development Contesting dominant discourses about men and masculinities and binary notions of privilege and oppression the contributors examine the development and identity of men in higher education today This edited collection analyzes the nuances of lived identities intersections between identities ways in which individuals participate in co constructing identities and in turn how these identities influence culture *Masculinities in Higher Education* is a unique resource for graduate students and professional post secondary educators looking for strategies to effectively promote college men s learning and development

Sex, Gender, and Christianity Priscilla Pope-Levison, John R. Levison, 2012-10-08 Should women be priests Should women submit to their husbands Is premarital sex okay Inflammatory questions such as these have splintered Christianity and polarized the church In *Sex Gender and Christianity* a cadre of seasoned college professors offers the modest proposal that honest fruitful conversations about these questions will take place only if we develop the ability to deal

with sex gender and the Christian faith with the academic rigor and perspectives of our various disciplines This volume contributes an unprecedented collection of first rate articles from a variety of disciplines from the social sciences to history from literary criticism to theology that will challenge college administrators professors and students to address fractious questions in an atmosphere of scholarly inquiry

Togetherness Wil Lake, 2016-09-09 Ketchup and mustard Salt and pepper Mickey and Minnie Peanut Butter and Jelly Milk and cookies Things were meant to be together God made it that way He made us that way This book is written to a specific part of your togetherness experience The most intimate and enduring relationship you have on earth The person you are married to Your husband Your wife Your covenant partner The one whom you held their hand looked in their eyes and made a covenant of commitment in front of God and witnesses Until death do us part This book will provide you with practical principles on Coming Together Talking Together Deciding Together Fighting Together Sleeping Together Parenting Together and Staying Together After you finish reading Togetherness you ll experience more love for each other than you could imagine Together Togetherness that deep sense of being united close and inseparable is what every married couple longs to enjoy And if you re looking for a means to this kind of intimacy you ve found the right book Wil Lake reveals the secrets to sweet communion as a couple Don t miss out on his message Drs Les Leslie Parrott 1 New York Times best selling authors of Saving Your Marriage Before It Starts No one lives togetherness in marriage like the Lakes Chelsea and I would consider this couple one of our heroes and are we so excited they are sharing their marriage secrets with us They have modeled this principle of living better together and practicing unity through the seasons of their marriage with care and fruitfulness This book is real practical guidance from the Lakes as they share some insightful help and tools to master togetherness in key areas of your marriage Judah Smith Lead Pastor The City Church Seattle WA NY Times best selling author of Jesus Is _____

Gender Stories Sonja K. Foss, Mary E. Domenico, Karen A. Foss, 2012-06-06 Essential for anyone who seeks to understand the contemporary gender landscape Gender Stories defines gender as the socially constructed meanings that are assigned to bodies The book helps readers navigate issues of gender by introducing them to the ubiquitous gender binary the problems with much of the research on gender differences and the variety of gender stories in popular culture At the heart of the book is a description of the process of becoming a gendered person through crafting and performing gender stories Because each gender performance is unique a virtually unlimited number of genders exists not just two as the gender binary would have us believe The same multiplicity that characterizes the gender landscape characterizes the individual who typically changes gender multiple times a day and across the lifespan In Gender Stories personal gender performances are framed within a philosophy of choice Readers are encouraged to become more conscious of the choices they have in constructing their gender identities and to allow others the same choice by respecting their gender performances Readers will easily find a place for themselves in the book regardless of their views on gender because one perspective on gender is not presented as the right one Gender Stories affirms and legitimizes diverse

perspectives as providing more comprehensive knowledge about gender for everyone *The Mother and the Manager*
Elizabeth Ralston, 2014-08-22 In *The Mother And The Manager* Elizabeth Ralston courageously explores how our traditional gender roles create codependent behaviors in men and women and offers positive workable solutions toward dealing with this problem. *The Mother And The Manager* takes an in depth look at how our society has evolved and impacted gender roles into the twenty first century. As 12 Step recovery groups have flourished in recent years, women have been educated about why they have issues such as low self esteem, perfectionism, rigidity, relationship failures, inability to get their needs met, and fear of conflict. Elizabeth has bravely shared about how patriarchy has impacted her life and how recovery has helped her to empower and heal herself. She will help many who are searching for answers to their questions and will help them on the road to recovery. I salute her ability to face her fears about rocking the boat in writing this book and taking the risk to speak her truth and stay on her God inspired path. Ginger S Edwards, Licensed Professional Counselor, Licensed Addictions Specialist, Specializing in Codependency and Trauma.

Whispering the Techniques of Language: An Mental Journey through **Guyland The Perilous World Where Boys Become Men**

In a digitally-driven earth wherever screens reign supreme and quick transmission drowns out the subtleties of language, the profound secrets and emotional subtleties concealed within phrases often move unheard.
