The Beatles the 1968 double LP more commonly known as the White Album has always been viewed as an oddity in the group s oeuvre Many have found it to be inconsistent sprawling and self indulgent The Beatles through a Glass Onion is the first ever scholarly volume to explore this seminal recording at length bringing together contributions by some of the most eminent scholars of rock music writing today It marks a reconsideration of this iconic but under appreciated recording and reaffirms the White Album s significance in the Beatles career and in rock history This volume treats the White Album as a whole with essays scrutinizing it from a wide range of perspectives These essays place the album within the social and

political context of a turbulent historical moment locate it within the Beatles lives and careers taking into consideration the complex personal forces at play during the recording sessions investigate the musical as well as pharmaceutical influences on the record reveal how it reflects new developments in the Beatles songwriting and arranging revisit the question of its alleged disunity and finally track its legacy and the breadth of its influence on later rock pop and hip hop artists The Beatles through a Glass Onion features the scholarship of Adam Bradley Vincent Benitez Lori Burns John Covach Walter Everett Michael Frontani Steve Hamelman Ian Inglis John Kimsey Mark Osteen Russell Reising Stephen Valdez Anthony D Villa Kenneth Womack and Alyssa Woods John Covach s Afterword summarizes the White Album s lasting impact and value The Beatles through a Glass Onion represents a landmark work of rock music scholarship It will prove to be an essential and enduring contribution to the field

Your Unique Consciousness Dr. Anthony J. Emmett, 2023-03-20 The story of consciousness describes the mystery we are where we come from before birth and where we go after death and the thinking both in our body mind and subconscious and beyond it It is the dimensions of rational awareness of mind and heart we use for our ego and creative life on earth and in other dimensions around us Imagine that you have an all pervading higher intelligence within in your many layered consciousness How we employ it for this dynamic life with love and the ways it works make you the self you are Consciousness is an energy which comes into the brain of the embryo to activate the mind for this life it functions at many levels The level we call the heart is an influence emotionally with love and loving Consciousness radiates and the way it relates in us and beyond is the story of our lives We can use this to great effect with certain techniques We are alive in several levels of consciousness
