Loving the Love of Your Life Mark Gilroy, 2009-12-28 Not too heavy, not too light, here is a fun and creative his and hers flip book to help couples express the love that is in their heart. This two-cover book is a fun, interactive approach for couples who want to grow closer and create lasting memories together. Husband and wife take turns reading through topics that give a dose of inspiration, a principle for application, and an activity for expressing just how much they love the other. The book gets left on the other side of the pillow for the next turn of activity. I Only Say this Because I Love You Deborah Tannen, 2002 Why does talk in families so often go in circles, leaving us tied up in knots? Linguist Deborah Tannen reveals why talk among adult family members often leads to arguments and hurt feelings. She shows us how to separate the obvious word meaning from the subtext, the unstated but powerful meaning that comes from the history of our relationships in the family. Using real conversations from the lives of real people, Tannen shows us how talk in a family is a high wire act as we balance connection and power, struggling to get close without giving up our freedom.
