

To the One I Love,

*No one said marriage would be easy.
But I'm thankful that it's been hard.
I'm thankful because it means this is for
real. That we're for real. And that we're
going to make it through no matter what.
And when you know that, you realize
that everything else -- the worries and
the struggles and the bills -- can take a
backseat on this beautiful ride we're on
together, because it's going to last for so
many more years and there's a sunset I
plan on riding off into with you at the
very end.*
