**Billionaire's Secret Attraction** Michelle Love, 2022-12-16

He's rich as sin, naughty between the sheets. And way too handsome for my own good. I tried not to fall for him, but he was too hard to resist. Every time he stares at me, he makes the air thin and hard to breathe. His eyes are a shade of blue that looks as if it will freeze you and melt you all simultaneously. My pulse quickens, and I feel the color springing into my cheeks. It's so hard to take my eyes off his beautiful face. He's got me mesmerized. But I wonder if he'd be willing to save me from the man that keeps destroying everything I work for.

**Billionaire Romance** Simone Carter, 2016-10-12

A year will never be enough. I stand with Maddie and the rest of the Cole Corporation employees waiting for whatever is about to happen next. I've never done any kind of team building before, and it fills me with a sense of dread. I don't know if it's my Englishness that makes me hate the forced bonding and too close contact, or if everyone is feeling the same way, but I cannot wait for it to be over. Luke Cole stands behind me, sending me a suggestive smile as he does. Clearly, he isn't nearly as plagued by insecurities as I am. Come on, he whispers, lightly moving slightly away from me. Come up to my room, away from prying eyes. Right of course. The rest of Cole Corporation. They're here. This is a mistake enough without other people knowing about it. What I should say is that I need to go back to my room alone. But I don't.

What first caught his eye was the smirk on her face when the teacher called out everyone's name, and she didn't reply. As he watched her, he wondered how she could be bold enough to sit in on someone else's class. He walked to the middle of the class with his hands behind his back and smiled. You could hear the silent whistles and occasional omg's coming from the female students. All except for her, that was new for this charming older man. She didn't even move her eyes up from her bag to see what was going on. The older man was caught off guard, being as though he was always the center of everyone's attention when he walked into the room. A woman has never not taken an interest in him, so this random student not giving him the time of day made him drawn to her, and only her. Hello, ladies and gentlemen.
