unbreath It or take It away If we would only let go of our theological nonsense and let our soul commune with the Universe it would tell us all these things because we already know them inwardly All men are embodiments of God and the soul can no more be lost than God could be lost What more can life demand of us than that we do the best we know always trying to improve And when we do this we shall have done well indeed and all will be right with our souls both here and hereafter Wilder Publications is a green publisher All of our books are printed to order This reduces waste and helps us keep prices low while greatly reducing our impact on the environment Prophecy (Forevermore, Book 9) K.A.
