

Lesson 11: The Global Administration

1. In the table below the internationalization of business is described in terms of opportunities and existing problems in regions.

Opportunities	Problems
1. New and growth in the technology market	Low competition in price level in technological market because limited price setting possibilities (market for technological products)
2. Increasing number of new clients	Local government regulation
3. Increase demand for local clients	Administrative internationalization by some clients (big clients) and representation in foreign markets
4. Access to internet	Administrative market entry barriers (local taxes, taxes & export) (regional international office technology)
5. Increasing number of local clients	International & regional trade barriers and internationalization
6. Increasing new products	High entry barriers (government price)
7. New client markets	Market entry barriers
8. New client markets	Market entry barriers (market entry & export) & internationalization

2. In the table below the internationalization of business is described in terms of opportunities and problems.

Write the internationalization opportunities and problems in your own words by applying the knowledge from the internationalization of business course.
