## **Gulaschkanone The German Field Kitchen In World War II And Modern Reenactment:**

*Gulaschkanone* Scott L. Thompson, 2011 The German army of World War II fed their men from field kitchens like these. The cooks risked danger and adversity to deliver hot meals to the soldiers at the front. Now World War II reenactors have put the field kitchen back to work. This book looks at the role the field kitchen played in World War II as well as how a lovingly restored vintage field kitchen is once again cooking authentic hot food for hungry German soldiers. *Rations of the German Wehrmacht in World War II* James Pool, Jim Pool, Thomas Bock, 2010 This book is the definitive reference on the topic. Lavishly illustrated with over 600 photographs and over 200 charts, wartime advertisements and other educational aids, it represents the most accurate and detailed look at the rations provided to the German soldier in World War II. Relying mainly on wartime German and American references most unknown to the general public, this book dispels the many myths associated with German rations of World War II. Covering all the major food groups, Emergency and Special rations, Schocka kola, the supply system and wartime packaging materials and construction, this book is a must for every serious collector and historian of the German military in World War II. **German Field Kitchen at Airfield Near Mt. Etna**, 2019 Description German field kitchen at airfield near Mt Etna. Probably in Catania, Sicily.
