Conversations with Jonathan Lethem Jaime Clarke, 2011-06-01 Conversations with Jonathan Lethem collects fourteen interviews conducted over a decade and a half with the Brooklyn born author of such novels as *Girl in Landscape* *Motherless Brooklyn* *The Fortress of Solitude* *Chronic City* and many others Winner of the National Book Critics Circle Award Lethem b 1964 covers a wide range of subjects from what it means to incorporate genre into literature to the impact of the death of his mother on his life and work to his being a permanent sophomore on leave from Bennington College as well as his flight from Brooklyn to California and its lasting effect on his fiction Lethem also reveals the many literary and pop culture influences that have informed his writing life Readers will find Lethem as charming and generous and intelligent as his work His examination of what it means to live a creative life will reverberate and enlighten scholars and fans alike His thoughts on science fiction intellectual property literary realism genre movies and rock n roll are articulated with el n throughout the collection as are his comments on his own development as a craftsman *Understanding Jonathan Lethem* Matthew Luter, 2015-07-15 *Understanding Jonathan Lethem* is a study of the novels short fiction and nonfiction on a wide range of subjects in the arts by American novelist Jonathan Lethem who is the recipient of the National Book Critics Circle Award for Fiction for *Motherless Brooklyn* a MacArthur Foundation genius grant and the Locus Award for Best First Novel for *Gun with Occasional Music* Matthew Luter explores the key contemporaries of and influences on Lethem who is the Roy Edward Disney Professor of Creative Writing at Pomona College Luter begins this volume by explaining how Lethem s innovative and provocative essay on creative appropriation *The Ecstasy of Influence* differs from other writing about influence suggesting an artistic mode that celebrates thoughtful borrowing Readings of Lethem s three major novels follow taken together *Motherless Brooklyn* *The Fortress of Solitude* and *Chronic City* present a novelist coming to terms with the joys and downsides of artistic influence Luter concludes the edition with an examination of Lethem s third collection *Lucky Alan And Other Stories* Borrowing openly and promiscuously from earlier traditions both high and low experimental fiction comic books art film detective novels Lethem displays a career long interest in questioning what literary originality might mean in a postmodern age Some suggest that such borrowings indicate a literary well that has run dry making writers such as Lethem mere patchwork artists Luter argues instead that Lethem s propensity for wearing his influences and obsessions on his sleeve encourages new thought about originality itself Out with it s all been done and in with look at all that s been done and all that we can still do with it **Jonathan Lethem** James Peacock, 2013-07-19 Jonathan Lethem is the first full length study dedicated to the work of an exciting genre busting contemporary writer with an increasingly high profile in American literature Examining all of Lethem s novels as well as a number of his short fictions essays and critical works this study shows how the author s prolific output his restlessness and his desire always to be subverting literary forms and genres are consistent with his interest in subcultural identities The human need to break off into small groupings subcultures or

miniature utopias is mirrored in the critical tendency to enforce generic boundaries To break down the boundaries between genres then is partly to make a nonsense of critical distinctions between high and low literature and partly to reflect the wider need to recognise difference to appreciate that other people no matter how outlandish and alien they may appear share similar desires experiences and problems With this in mind James Peacock argues that Lethem s experiments with genre are not merely games or elaborate literary jokes but ethical necessities particularly when viewed in the light of the losses and traumas that shadow all of his writing Jonathan Lethem therefore makes an important contribution not just to Lethem studies but also to debates about genre and its position in postmodern or post postmodern literature It will be of interest to all scholars and students of contemporary American writing as well as those interested in genre fiction and literature s relationship with subcultures

Jonathan Lethem and the Galaxy of Writing Joseph Brooker,2019-12-12
Author of Motherless Brooklyn and The Fortress of Solitude Jonathan Lethem is one of the most celebrated and significant American writers working today This new scholarly study draws on a deep knowledge of all Lethem s work to explore the range of his writing from his award winning fiction to his work in comics and criticism Reading Lethem in relation to five themes crucial to his work Joseph Brooker considers influence and intertextuality the role of genres such as crime science fiction and the Western the imaginative production of worlds superheroes and comic book traditions and the representation of New York City Close readings of Lethem s fiction are contextualized by reference to broader conceptual and comparative frames as well as to Lethem s own voluminous non fictional writing and his adaptation of precursors from Franz Kafka to Raymond Chandler Rich in critical insight Jonathan Lethem and the Galaxy of Writing demonstrates how an understanding of this author illuminates contemporary literature and culture at large

The Experimental Translator Douglas Robinson,2023-01-24 This book celebrates experimental translation taking a series of exploratory looks at the hypercyborg translator the collage translator the smuggler translator and the heteronymous translator The idea isn t to legislate traditional translations out of existence or to win some kind of literary competition with the source text but an exuberant participation in literary creativity Turns out there are other things you can do with a great written work and there is considerable pleasure to be had from both the doing and the reading of such things This book will be of interest to literary translation studies researchers as well as scholars and practitioners of experimental creative writing and avant garde art postgraduate translation students and professional literary translators

Off-White Sheng-mei Ma, 2019-11-14 How do English speaking novelists and filmmakers tell stories of China from a Chinese perspective How do they keep up appearances of pseudo Sino immanence while ventriloquizing solely in the English language Anglo writers and their readers join in this century old game of impersonating and dubbing Chinese Throughout this wish fulfillment writers lean on grammatical and conceptual frameworks of their mother tongue to represent an alien land and its yellowface aliens Off white or yellowish characters and their foreign sounding speech are thus performed in Anglo American fiction and visual culture both yellowface and Chinglish are of for by the white people Off White interrogates seminal Anglo American fiction and film on off white bodies and voices It commences with one Nobel laureate Pearl Buck and ends with another Kazuo Ishiguro almost a century later The trajectory in between illustrates that the detective and mystery genres continue unabated their stock yellowface characters who exude a magnetic field so powerful as to pull in Japanese anime This universal drive to fashion a foil is ingrained in any will to power so much so that even millennial China creates an off yellow darker hued Orient in Hollywood films to silhouette its global ascent

Posthuman Blues Mac Tonnies, 2013-05-20 Posthuman Blues Vol I is first volume of the edited version of the popular weblog maintained by author Mac Tonnies from 2003 until his tragic death in 2009 Tonnies blog was a pastiche of his original fiction reflections on his day to day life trenchant observations of current events and thoughts on an eclectic range of material he culled from the Internet What resulted was a remarkably broad portrait of a thoughtful man and the complex times in which he lived rendered with intelligence imagination and a wickedly absurdist sense of humor

A Gambler's

Anatomy Jonathan Lethem, 2017-09-05 The author of *Motherless Brooklyn* and *The Fortress of Solitude* returns with a devilishly entertaining novel about an international backgammon hustler who thinks he's psychic. Too bad about the tumor in his face. Alexander Bruno travels the world playing high stakes backgammon and hunting for amateur whales who think they can challenge him. Lately he's had a run of bad luck not helped by the blot that has emerged in his field of vision which forces him to look at the board sideways. As the blot grows larger his game gets worse until at an opulent mansion in Berlin he passes out in the middle of a match and receives an alarming diagnosis. Out of money and out of friends he turns to the only person who can help and the last person he wants to see a high rolling former childhood acquaintance who agrees to pay for Bruno's experimental surgery in Berkeley. But Berkeley is the place where Bruno discovered his psychic gift and where he vowed never to return. There forced to confront patchouli flashbacks and his uncertain future he must ask himself: Is he playing the game or is the game playing him.

The Vision Jonathan Lethem, 2014-10-21 From Jonathan Lethem's classic collection *Men and Cartoons* a haunting playful story about dress up superheroes. Mafia love and treachery. I first met the kid known as the Vision at second base during a kickball game in the P.S. 29 gymnasium. The narrator Joel explains. Decades later the Vision returns to his old Brooklyn neighborhood no longer a young boy who dresses up in superhero costumes but a confident adult. But at a party with several mysterious visitors the Vision reveals some secrets still lingering as the partygoers turn from party games to the uneasy weight of truth. This is an exemplary story from a modern master: poignant, witty and entirely original. An eBook short.

More Alive and Less Lonely Jonathan Lethem, 2018-05-29 From the award winning author of *Motherless Brooklyn* and *The Ecstasy of Influence* comes a new collection of essays that celebrates a life spent in books. *More Alive and Less Lonely* collects over a decade of Jonathan Lethem's finest writing on writing with new and previously unpublished material including impassioned appreciations of forgotten writers and overlooked books, razor sharp critical essays and personal accounts of his most extraordinary literary encounters and discoveries. Only Lethem with his love of cult favorites and the canon alike can write with equal insight into classic writers like Charles Dickens and Herman Melville, modern masters like Lorrie Moore and Thomas Pynchon, graphic novelist Chester Brown and science fiction outlier Philip K. Dick. Sharing his infectious love for books of all kinds, *More Alive and Less Lonely* is a bracing voyage of literary discovery and an essential addition to every booklover's shelf.

Do Metaphors Dream of Literal Sleep? Seo-Young Chu, 2011-01-15 In culture and scholarship, science fictional worlds are perceived as unrealistic and altogether imaginary. Seo-Young Chu offers a bold challenge to this perception of the genre, arguing instead that science fiction is a form of high intensity realism capable of representing non-imaginary objects that elude more traditional realist modes of representation. Powered by lyric forces that allow it to transcend the dichotomy between the literal and the figurative, science fiction has the capacity to accommodate objects of representation that are themselves neither entirely figurative nor entirely literal in nature. Chu explores the globalized world, cyberspace, war, trauma, the Korean concept of *han*, and the rights of robots, all as

referents for which she locates science fictional representations in poems novels music films visual pieces and other works ranging within and without previous demarcations of the science fiction genre In showing the divide between realism and science fiction to be illusory Do Metaphors Dream of Literal Sleep sheds new light on the value of science fiction as an aesthetic and philosophical resource one that matters more and more as our everyday realities grow increasingly resistant to straightforward representation

Lucky Alan Jonathan Lethem, 2015-02-24 The incomparable Jonathan Lethem returns with nine stories that demonstrate his mastery of the short form Jonathan Lethem's third collection of stories uncovers a father's nervous breakdown at SeaWorld in Pending Vegan a foundling child rescued from the woods during a blizzard in Traveler Home a political prisoner in a hole in a Brooklyn street in Procedure in Plain Air and a crumbling haunted blog on a seaside cliff in The Dreaming Jaw The Salivating Ear Each of these locates itself in Lethem land which can be discovered only by visiting As in his celebrated novels Lethem finds the uncanny lurking in the mundane the irrational self defeat seeping through our upstanding pursuits and the tragic undertow of the absurd world's in which we live Devoted fans of Lethem will recognize familiar themes the anxiety of influence taken to reductio ad absurdum in The King of Sentences a hapless horny outsider summoning bravado in The Porn Critic characters from forgotten comics stranded on a desert island in Their Back Pages As always in Lethem humor and poignancy work in harmony humans strive desperately for connection words find themselves misaligned to deeds and the sentences are glorious

Diseases and Disorders in Contemporary Fiction

James Peacock, Tim Lustig, 2013-04-17 The essays in this collection address the current preoccupation with neurological conditions and disorders in contemporary literature by British and American writers The book places these fictional treatments within a broader cultural and historical context exploring such topics as the two cultures debate the neurological turn postmodernism and the post postmodern and responses to September 11th Considering a variety of materials including mainstream literary fiction the graphic novel popular fiction autobiographical writing film and television contributors consider the contemporary dimensions of the interface between the sciences and humanities developing the debate about the post postmodern as a new humanism or a return to realism and investigating questions of form and genre and of literary continuities and discontinuities Further the essays discuss contemporary writers' attempts to engage the relation between the individual and the social looking at the relation between the syndrome syndrome referring to the prevalence in contemporary literature of neurological phenomena evident at the biological level and existing work in the field of trauma studies where explanations tend to have taken a psychoanalytical form allowing for perspectives that question some of the assumptions that have marked both these fields The current literary preoccupation with neurological conditions presents us with a new and distinctive form of trauma literature one concerned less with psychoanalysis than with the physical and evolutionary status of human beings
