Sri Guru Granth Sahib--English

Translation, 2014 **Japji Sahib** Narendrapal Dhillon, 2015-05-31. All renderings attempting to explain the Divine path are quite difficult to comprehend. The Japji Sahib of Guru Nanak Dev Ji, which is such a work, was rendered more than 500 years ago. Languages are not static but dynamic, and Punjabi language is no exception to this. This fact has not helped in the matter but has rather made it more complex. The book JAPJI Sahib: A Complete Way of Life attempts to facilitate the understanding of Japji Sahib, the daily Morning Prayer of Sikhs, incorporated at the beginning of Shri Guru Granth Sahib, the scripture of Sikhs, which is to be viewed as a single continuous and compact message of Guru Nanak depicting unity of the directive principles of Sikhism. There is a school of thought which explains Japji Sahib as expansion of the introductory Mool Mantra. In this context, Japji Sahib is also stated to be the essence of the whole Guru Granth Sahib. Conversely, the whole Guru Granth Sahib is said to be the expansion of Japji Sahib. The commentary in black print attempts to reflect this oneness of the principles of this most modern universal religion of the world. Apart from the commentary, this book also contains the translation of Japji Sahib in English. All the available translations of Japji Sahib are narrative in nature and therefore make it impossible to relate them to each word of the original rendering in Gurmukhi script. This effort has been made with the idea of setting right this imbalance. The translation in coloured print is given in as many words as in the original rendering. Owing to the limitation of the difference in the grammar of the two languages, some words have been added in the translation to clarify the complete meaning. These additional words are mentioned in brackets. The commentary and the translation have been interspersed in such a manner that they complement each other for better comprehension by the reader. For easier segregated reading, the translation in blue print has been aligned right. However, where there is a direct instruction to be followed by human beings, the translation in bold print has been coloured red and has been center aligned. Another aspect that may be mentioned is that Sikhism has certain concepts which, if not unique, are quite special to it. Few such important concepts are Guru Baani, Gurbaani, Hukam, Maaya, Man, Haumain, Naam, Shabad, Sat, Sach, Waheguru, and Simran. Understanding these concepts in right perspective would be a pre-requisite for anyone interested in gaining an in-depth familiarization with this religion. These concepts have also been explained in the book. Some of the difficult words/terms with super-scribed numbering used in the

book have been clarified in detail separately It can be said that Japji Sahib helps a person in understanding the very purpose of human life It also explains the specific acts to be performed in life and the manner in which they are to be performed for achieving the laid down objective of human life There can't be a more true and simple narration of why and how of the human life than the one detailed in Japji Sahib Sri Guru Nanak Dev Ji's rendering of Japji Sahib is a service to mankind to which it is difficult to find another equal Guru Nanak's message of Japji Sahib transcends all religions and seeks welfare of all beings It is a powerful tool provided to the human being for fulfillment of his destiny However the option remains with the individual as to whether he wants to know understand and pursue the desired path

Japji Sahib - English Translation & Translation God, There are three primary purposes of a religious prayer 1 To refresh your remembrance and awareness of God 2 To bring your wandering mind into the present moment 3 To understand the meaning of the prayer and imbibe its teachings into your life in order to further your spiritual progress By God's grace presented to you here is the translation of the JAPJI SAHIB composed in Gurumukhi script by Guru Nanak Dev Ji the First Guru and founder of the Sikh Religion into English At the end of the translation I have also offered to you the Transliteration of JAPJI SAHIB for those who may wish to recite as a prayer in the original Gurumukhi language JAPJI SAHIB is a universal sacred hymn prayer about God and creation composed by Guru Nanak Dev Ji the founder of the Sikh faith The Japji Sahib consists of the Mool Mantra Root Mantra as the beginning followed by 38 hymns and a final Salok at the end of this composition The Japji appears at the very beginning of the Guru Granth Sahib the Holy Scriptures of the Sikhs It is regarded as the most important Bani or set of verses by the Sikhs and is recited every morning by all practicing this faith The word Jap means to recite or to chant Ji is a word that is used to show respect as is the word Sahib You are encouraged to read the translation several times and the beauty of this glorious script will manifest in your mind Harmony will come to your life as you begin to understand God and his attributes as can be comprehended by a human as revealed to us by God through Guru Nanak Dev Ji

Sukhmani Sahib - English Translation God, Sukhmani Sahib is known in English as The Jewel of Peace and some call it The Psalm of Peace This prayer was compiled by the Fifth Sikh Guru Guru Arjan Dev Ji This prayer eradicates worries fear anxiety and all negativity while bringing peace and joy to the one who reads understands and practices it It is divided into 24 Hymns with 8 Stanzas each with each Hymn describing the ways to attain God and peace Besides enjoying this composition it is also a perfect gift to give anyone you know for what greater gift than the gift of peace There is no greater worship than remembering God and this humble translation attempts to provide the reader with a better understanding of life and attaining God God is Perfect and no words could ever describe Him completely This humble translation attempts to invoke the reader to understand the importance of repeating God's Name as well as other attributes If even one line of this glorious composition can by God's mercy change the life of the reader or the people around them I would consider this tough endeavor a fruitful deed May these hymns bring peace and prosperity in your life by the Almighty's Grace May you always be Happy
