**Is Gwyneth Paltrow Wrong About Everything?** Timothy Caulfield, 2016-05-10 An exploration of the effect our celebrity dominated culture has on our ideas of what it means to live the good life What would happen if an average Joe tried out for American Idol underwent a professional makeover endured Gwyneth Paltrow's Clean Cleanse and followed the outrageous

**Foodies** Josee Johnston, Shyon Baumann, 2009-12-04 This important new cultural analysis tells two stories about food The first depicts good food as democratic Foodies frequent hole in the wall ethnic eateries appreciate the pie found in working class truck stops and reject the snobbery of fancy French restaurants with formal table service The second story describes how food operates as a source of status and distinction for economic and cultural elites indirectly maintaining and reproducing social inequality While the first storyline insists that anybody can be a foodie the second asks foodies to look in the mirror and think about their relative social and economic privilege By simultaneously considering both of these stories and studying how they operate in tension a delicious sociology of food becomes available perfect for teaching a broad range of cultural sociology courses
