Hey, God! I Need Help! Nancy Janorschke,2017-06-14 Hey God I Need Help Bits and Pieces from 50 Years of Journaling shows how one woman found answers through the help of daily biblical psalms Everybody needs help to stay on an even keel from time to time especially young mothers who end most days so tired they can t think straight This little book relates how I was able to handle the feelings of inadequacy and helplessness that assail so many young mothers With eight children I needed all the help I could get I wanted to be there for each of my kids as they survived the problems of growing up How do you find the energy to read to your children or say prayers with them when you can barely keep your eyes open It helps to take time to rest a moment in God s presence at some point during your busy day The best time for me was early morning before the day came roaring down the track and ran me over and I could get myself together Even ten minutes makes all the difference in the world to start your day with peace in your soul After that brief period of soul food I felt like I could tackle anything Looking back over my long life I hope I succeeded Hello, God, Where Are You? Sherryann Philogene,2018-04-04 When I was just a baby I was told I had a brush with death that required a priest to read my last rites At twelve years old I told my grandmother that I wanted to participate in the first communion ritual It was at the preparation of the ritual I started questioning religious practices and embarked on a journey to find God Hello God Where Are You is about what I learned on my journey and also what I ve learned from others In all our searching for God we find out that he she is within and not without As human beings we falter every day Our mishaps do not turn God away from us We have to learn to forgive ourselves and others We can feel the presence of God in a place of worship while we commune however he is with us at all times We do not need a representative to speak with God on our behalf We ourselves are responsible for what happens to us by how we choose to respond to life We cannot be closed minded about other practices and ways to commune with God Be open to learning because God is not found in one religion or belief *Hi, God. It's Me Again.* Julia Taves,2014-10-29 Kids have questions and need answers They look to each other for self esteem friendship entertainment and even help for understanding larger concepts Why not allow children to look to other mature children for help in applying God s Word When kids see other kids affected by God s Word and making a difference they understand and are inspired for life change Relating and connecting to another child opens doors into the heart of a child s issues and most importantly into the heart of God *Hi God It s Me Again* is a devotional book written from a wide spectrum of kids who are living out the Gospels through applying God s Word and sharing that with others These devotions are a valuable tool to inspire children from ages eight to twelve and to allow God to make a difference through them just as He has done through the lives of similar children "Hi, God. I'm Home. Wow!" Beverly Wilkins R.N,2021-01-07 For the last twenty years of her professional life Beverly Wilkins has been a
