Hidden Depths An Erotic Romance Novel:

HIDDEN DEPTHS AUBRIANNA. HUNTER,2017 **Sexuality and the Erotic in the Fiction of Joseph Conrad**

Jeremy Hawthorn,2007-03-01 Awarded third place for The Adam Gillon Book Award in Conrad Studies 2009 The book presents a sustained critique of the interlinked and contradictory views that the fiction of Joseph Conrad is largely innocent of any interest in or concern with sexuality and the erotic and that when Conrad does attempt to depict sexual desire or erotic excitement then this results in bad writing Jeremy Hawthorn argues for a revision of the view that Conrad lacks understanding of and interest in sexuality He argues that the comprehensiveness of Conrad s vision does not exclude a concern with the sexual and the erotic and that this concern is not with the sexual and the erotic as separate spheres of human life but as elements dialectically related to those matters public and political that have always been recognized as central to Conrad s fictional achievement The book will open Conrad s fiction to readings enriched by the insights of critics and theorists associated with Gender Studies and Post colonialism **Hidden Depth** Brenda Rothert,2017-04-25

Varieties of Women's Sensation Fiction, 1855-1890: Sensation with a purpose - Erotic sensationalism ,2004 Erotic Symbolism Hannah Martin,AI,2025-05-05 Erotic Symbolism explores the profound influence of erotic symbolism throughout history revealing how symbols of sexuality and desire have shaped art literature and language across diverse cultures The book argues that erotic symbolism is not a trivial aspect of human expression but a fundamental language that has informed our understanding of ourselves and the world often conveying complex ideas about power spirituality and the human condition For example ancient civilizations used erotic symbols in art and mythology to represent creation and the cyclical nature of life while literature has employed suggestive metaphors to explore love loss and transgression The book progresses through three major themes ancient art and mythology literature and everyday language It examines how erotic symbolism manifests in each using iconographic analysis and cross cultural comparisons to reveal universal patterns and cultural specificities Drawing from archaeological findings historical texts and literary analyses Erotic Symbolism demonstrates the pervasive nature of this language of desire and its impact on human creativity Varieties of Women's Sensation Fiction, 1855-1890 Vol 4 Andrew Maunder,Sally Mitchell,Tamar Heller,Mark Knight,Graham Law,2024-10-28 Five sensation novels are here presented complete and fully reset along with scholarly annotation a bibliography of sensation fiction and articles contributing to contemporary debate **Strongest With You** Kelly Violet,2021-03-31 A life he yearned to reclaim Colton Strong hid behind a mask As the frontman for his band Country Blue he s known for his soulful tenor and brooding nature He leaves his guard up and for good reason Nobody gets close enough to see past the carefully constructed facade Until Darcy Once the petite fireball enters his life one night setting off sparks in the darkest parts of his soul she won t leave his mind Too bad that amazing night also holds some terrible memories When she left town without a word he knew he had to do everything in his power to get her back A love she had to let go Darcy Williams faced another crossroads A guilty conscience

won't let her forget the consequences of her actions a year and half ago Thousands of miles away from the only people who matter to her the loneliness is taking a toll But she would have to make a choice soon Stay away or return home Then the enigmatic frontman shows up on her doorstep unannounced and she's in for a new wave of heartache Saying goodbye to Colt had never been part of the plan even though she knew he was better off without her Can they put the past behind them for a shot at happiness Because love gives you strength in the darkest moments and when you need it most

Love and Depth in the American Novel Ashley C. Barnes, 2020-04-23 Love and Depth in the American Novel seeks to change how we think about the American love story and how we imagine the love of literature By examining classics of nineteenth century American literature Ashley Barnes offers a new approach to literary theory that encompasses both New Historicism and the ethical turn in literary studies Couples like Huck and Jim and Ishmael and Queequeg have grounded the classic account of the American novel as exceptionally gothic and antisocial Barnes argues instead for a model of shared intimacy that connects the evangelical sentimental best seller to the high art of psychological realism In her reading of works by Harriet Beecher Stowe Nathaniel Hawthorne Herman Melville Elizabeth Stoddard Henry James and others in the context of nineteenth century Protestant Catholic debates about how to know and love God what emerges is an alternate tradition of the American love story that pictures intimacy as communion rather than revelation Barnes uses that unacknowledged love story to propose a model of literary critical intimacy that depends on reading fiction in its historical context

Varieties of Women's Sensation Fiction, 1855-1890 Vol 1 Andrew Maunder, Sally Mitchell, Tamar Heller, Mark Knight, Graham Law, 2024-10-28 Five sensation novels are here presented complete and fully reset along with scholarly annotation a bibliography of sensation fiction and articles contributing to contemporary debate
