### **Ways to Turn Your Ice Cream into Delicious Desserts** Jideon Francisco

Marques, 2024-09-14 When it comes to desserts I have always been an ice cream person in the way that some people are cake people while others yearn for fresh fruit pie I became keenly aware of this when I worked at Greens restaurant in San Francisco where I had the opportunity to assist Debbie Hughes a brilliant and talented pastry chef with a highly evolved philosophy of ice cream Surrounded by beautiful raw ingredients and hopped up on caffeine and sugar I learned at Greens that desserts can feed much more than just a craving for something sweet They can be whimsical intellectual and fun It goes without saying that a great dessert tastes delicious but it also satisfies on other levels whether because it's beautiful evokes a memory or makes you smile in appreciation of its simplicity And no desserts seem to do that as well as those involving ice cream The last several years have seen an amazing increase in both the variety and availability of high quality store bought ice cream Although it's hard to improve on the simplicity of a bowl of good ice cream just a few deft additions a fruit topping a crumb crust a chewy gingersnap or a layer of butter cake turn purchased ice cream into special and evocative desserts The recipes in this book will show you how to use purchased ice cream to make cakes and pies ice cream sandwiches sundaes layered parfaits and drinks that range from homey to elegant as well as homemade sauces and toppings to embellish them
