Lawrence Alumnus, 1926 **The World Almanac and Book of Facts**, 1914 Lists news events population figures and miscellaneous data of an historic economic scientific and social nature *Illinois Alumni News*, 1923 **The Solitary Tales Collection** Travis Thrasher, 2015-07-08 Solitary North Carolina is one of those small towns in the Smoky Mountains that could easily be overlooked Yet Chris Buckley can't overlook anything since he's just moved there and fallen for the wrong girl He's made enemies with the wrong people He's starting to have nightmares about very very wrong things Something is happening in this creepy little town and it seems to somehow center around Chris A four book YA series that will keep you up at night and make you wonder about its mysteries to the very end 1 Solitary When Chris Buckley moves to Solitary North Carolina he faces the reality of his parents divorce a school full of nameless faces and Jocelyn Evans Jocelyn is beautiful and mysterious enough to leave Chris speechless But the more Jocelyn resists him the more the two are drawn together Chris soon learns that Jocelyn has secrets as deep as the town itself Secrets more terrifying than the bullies he faces in the locker room or his mother's unexplained nightmares He slowly begins to understand the horrific answers The question is whether he can save Jocelyn in time This first book in the Solitary Tales series will take you from the cold halls of high school to the dark rooms of an abandoned cabin and remind you what it means to believe in what you cannot see 2 Gravestone At first Chris Buckley was simply warned And watched But as Chris unravels the haunting riddles of the town of Solitary he finds that much more than the life of a town is at stake Whether facing a pastor with a house full of skeletons or a cousin he never knew existed Chris is forced to choose between light and darkness life and nightmarish death Every choice he makes reminds him that the unthinkable has already happened and if he trusts the wrong person it may happen again This second book in the Solitary Tales continues Chris's journey toward finding out who he is and what his own role is in the darkness suffocating his tiny new hometown Filled with shocking twists Gravestone is a tale of a teenager thrown into a battle over a town a secret and ultimately his own soul 3 Temptation The third book in the Solitary Tales series for young adults Temptation follows the soul wrenching twists of Chris Buckley's journey as he heads deeper into a darkness that threatens all he loves best As a reluctant student at Harrington High's summer school Chris meets a fun loving senior girl who offers a welcome diversion from Chris's past Soon Chris no longer searches for the truth about the town of Solitary He no longer tries to pierce its shadows He no longer questions his role in its mysteries He makes a new choice he runs What he

doesn't realize is that he's running the wrong way and is very close to being beyond any choices at all. Hurt. When Chris Buckley first encountered the mysteries of creepy Solitary North Carolina, he had little idea how far he would fall into the town's shadows. After losing the love of his life, Chris tried to do things his way. He hunted answers. Then he gave up trying to find them. But now Chris comes back to Solitary knowing there's a purpose for his being there. As he watches his place in a twisted and evil bloodline become clear, Chris waits for the last battle and wonders who will be left when he finally makes his stand. The fourth and final book in the Solitary Tales shines light into deep darkness as Chris's journey to Solitary comes to a dramatic close.
