High-Profile Crimes Lynn S. Chancer, 2005-11-01 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In *High Profile Crimes* Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s *High Profile Crimes* shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer's discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades *High-Profile Crimes* Lynn S. Chancer, 2010-02-15 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In *High Profile Crimes* Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s *High Profile Crimes* shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the

media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer s discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades Women, Violence, and the Media Drew Humphries,2009 Through the lens of feminist criminology this volume examines the complex interrelationship of women violence and media presentations The book is divided into three sections the first section lays the groundwork for the volume by examining the print media s presentation of gendered violence the second section explores aspects of femicide including mass murder incidents domestic violence and wartime sexual violence in reality an on television the third section focuses on efforts to replace masculine assumptions with constructive approaches to imagining women from Back Cover

Savage Portrayals Natalie Byfield,2014-01-20 In 1989 the rape and beating of a white female jogger in Central Park made international headlines Many accounts reported the incident as an example of wilding episodes of poor minority youths roaming the streets looking for trouble Police intent on immediate justice for the victim coerced five African American and Latino boys to plead guilty The teenage boys were quickly convicted and imprisoned Natalie Byfield who covered the case for the New York Daily News now revisits the story of the Central Park Five from her perspective as a black female reporter in Savage Portrayals Byfield illuminates the race class and gender bias in the massive media coverage of the crime and the prosecution of the now exonerated defendants Her sociological analysis and first person account persuasively argue that the racialized reportage of the case buttressed efforts to try juveniles as adults across the nation Savage Portrayals casts new light on this famous crime and its far reaching consequences for the wrongly accused and the justice system

Philosophy, Crime, and Criminology Bruce A. Arrigo,Christopher R. Williams,2010-10-01 Philosophy Crime and Criminology represents the first systematic attempt to unpack the philosophical foundations of crime in Western culture Utilizing the insights of ontology epistemology aesthetics and ethics contributors demonstrate how the reality of crime is informed by a number of implicit assumptions about the human condition and unstated values about civil society Charting a provocative and original direction editors Bruce A Arrigo and Christopher R Williams couple theoretically oriented chapters with those centered on application and case study In doing so they develop an insightful sensible and accessible approach for a philosophical criminology in step with the political and economic challenges of the twenty first century Revealing the ways in which philosophical conceits inform prevailing conceptions of crime Philosophy Crime and Criminology is required reading for any serious student or scholar concerned with crime and its impact on society and in our lives

Theorizing Criminality and Policing in the Digital Media Age Julie B. Wiest,2021-03-25 Sponsored by the Communication Information Technologies and Media Sociology section of the

American Sociological Association CITAMS this volume in Emerald Studies in Media and Communications features social science research on criminality policing and mass media in the digital age **Generally Speaking** Eviatar Zerubavel,2021 In this invitation to concept driven sociology defying the conventional split between theory and methodology as well as between quantitative and qualitative research Eviatar Zerubavel introduces a yet unarticulated Simmelian method of theorizing specifically designed to reveal fundamental often hidden social patterns Insisting that it can actually be taught he examines the theoretico methodological process revolving around the epistemic and analytical acts of focusing generalizing exemplifying and analogizing by which concept driven researchers can distill generic social patterns from the culturally historically and domain specific contexts in which they encounter them empirically Disregarding conventionally noted substantive variability in order to uncover conventionally disregarded formal commonalities Generally Speaking draws on cross cultural cross historical cross domain and cross level analogies in an effort to reveal formal parallels across disparate contexts Using numerous examples from culturally and historically diverse contexts and a wide range of social domains while also disregarding scale Zerubavel thus introduces a pronouncedly transcontextual generic sociology *Media and Criminal Justice* Dennis Stevens,2011-04-19 The media and the CSI craze Motion pictures popular television dramas news reports Wars on crime and junkies Wars on sex offenders and poverty Terrorism and the war on immigrants Crime scene investigations forensics and junk science Prosecutors Wrongful convictions The death penalty Methodology and findings Recommendations to reduce wrongful convictions and eliminate capital punishment **The Unhappy Divorce of Sociology and Psychoanalysis** Lynn Chancer,John Andrews,2014-08-05 A collection of 18 contributions by well known scholars in and outside the US The Unhappy Divorce of Sociology and Psychoanalysis shows how sociology has much to gain from incorporating rather than overlooking or marginalizing psychoanalysis and psychosocial approaches to a wide range of social topics **Principles and Practice of Trial Consultation** Stanley L. Brodsky,2009-05-04 A pragmatic guide to a growing area of professional practice this book describes the multiple roles of the trial consultant and provides tools for carrying them out competently and ethically Leading authority Stanley Brodsky uses examples from actual trials and depositions to illustrate how knowledge and skills from psychology and related fields are applied in the legal context He shows how to use scientific methods and findings to assist with jury selection help attorneys focus their arguments prepare witnesses for the rigors of cross examination and conduct change of venue evaluations The examples are drawn from a wide range of civil and criminal cases In addition to behavioral scientists legal professionals also will find important insights and strategies in this book *Gender Violence, 3rd Edition* Laura L O'Toole,Jessica R Schiffman,Rosemary Sullivan,2020-07-14 An updated edition of the groundbreaking anthology that explores the proliferation of gendered violence From Harvey Weinstein to Brett Kavanaugh accusations of gender violence saturate today's headlines In this fully revised edition of Gender Violence Laura L O Toole Jessica R Schiffman and Rosemary Sullivan bring together a new interdisciplinary group of

scholars with up to date material on emerging issues like workplace harassment transgender violence intersectionality and the MeToo movement Contributors provide a fresh informed perspective on gender violence in all of its various forms With twenty nine new contributors and twelve original essays the third edition now includes emerging contemporary issues such as LGBTQ violence sex work and toxic masculinity A trailblazing text Gender Violence Third Edition is an essential read for students activists and others

Acts of Belonging in Modern Societies Ilgın Yörükoğlu, 2020-07-01 This book examines the ways in which the need to belong manifests itself in the post 9 11 world from a cross disciplinary perspective Using queer Turkish women in Berlin as its subjects the book shows how individuals with seemingly contradictory belongings develop strategies of emotional survival in the face of conflict which Yorukoglu terms acts of belonging It studies the impact of populist discourses on minorities exploring concepts such as security integration sexual tolerance and cohesion within a causal relationship Questioning this assumed relationship the book proposes an alternative approach to study belonging Acts Of Belonging in Modern Societies supports the empirical research behind the argument that cohesion is not a sine qua non of belonging These acts allow the individual to claim belonging in spite of possible differences The book provides evocative case studies to reveal the affective dynamic complex nature of human connectedness

Rape is Rape Jody Raphael, 2013 Through emotionally charged interviews a thorough analysis of current rape research government statistics and medical and judicial records and examination of a number of recent cases Raphael reveals how widespread victim blaming and distortion of the facts are being used to further political agendas

Motherhood in the Media Barbara Barnett, 2016-02-19 This book examines contemporary media stories about women who kill their children By analyzing media texts motherhood blogs and journalistic interviews the book seeks to understand better maternal violence and the factors that lead women to harm their children The central thesis of this book is that media practices have changed dramatically during the past 50 years as has society s views on appropriate feminine behavior yet definitions of characteristics of good mothers remain largely defined by 1950s sit coms Victorian ideals and Christian theology The book contends that in spite of media saturation in American society and the media s increased opportunities to tell complex and nuanced stories news media narratives continue to situate maternal violence as rare unfathomable and unpredictable The news media s shift in focus from public service to profit making industry has encouraged superficial coverage of maternal violence as reporters look for stories that sell not stories that explain Motherhood blogs in contrast offer an opportunity for women to tell their own stories about motherhood based on experience Interviews with journalists offer insights into how the structure of their jobs dictates media coverage of this intimate form of violence

Unlivable Lives Laurel Westbrook, 2020-11-10 Anti violence movements rooted in identity politics are commonplace including those to stop violence against people of color women and LGBT people Unlivable Lives reveals the unintended consequences of this approach within the transgender rights movement in the United States It illustrates how this form of activism obscures the causes of and lasting solutions to violence and exacerbates fear among

members of the identity group running counter to the goal of making lives more livable Analyzing over a thousand documents produced by thirteen national organizations Westbrook charts both a history of the movement and a path forward that relies less on identity based tactics and more on intersectionality and coalition building Provocative and galvanizing this book envisions new strategies for anti violence and social justice movements and will revolutionize the way we think about this form of activism

Youth, Jobs, and the Future Lynn S. Chancer, Martín Sánchez-Jankowski, Christine Trost, 2019 While overall unemployment has declined the unemployment rate remains nearly twice as high for young people 16 to 19 years of age and nearly three times as high for those aged 20 to 24 Rates of unemployment and underemployment are nearly two to three times higher for Black and Latino youth In *Youth Jobs and the Future* Lynn S Chancer Mart n S nchez Jankowski and Christine Trost have gathered a cast of well known interdisciplinary scholars to confront the persistent issues of youth unemployment and worsening socio economic precarity in the United States The book explores structural and cultural causes of youth unemployment their ramifications for both native and immigrant youth and how middle and working class youth across diverse races and ethnicities are affected within and outside the legal economy A needed contribution this book locates solutions to youth unemployment in economic and political changes as well as changes in cultural attitudes

The Central Park Five Sarah Burns, 2012-04-03 A spellbinding account of the real facts of the Central Park jogger case that powerfully reexamines one of New York City s most notorious crimes and its aftermath A must read after watching Ava DuVernay s *When They See Us* On April 20th 1989 two passersby discovered the body of the Central Park jogger crumpled in a ravine She d been raped and severely beaten Within days five black and Latino teenagers were apprehended all five confessing to the crime The staggering torrent of media coverage that ensued coupled with fierce public outcry exposed the deep seated race and class divisions in New York City at the time The minors were tried and convicted as adults despite no evidence linking them to the victim Over a decade later when DNA tests connected serial rapist Matias Reyes to the crime the government law enforcement social institutions and media of New York were exposed as having undermined the individuals they were designed to protect Here Sarah Burns recounts this historic case for the first time since the young men s convictions were overturned telling at last the full story of one of New York s most legendary crimes

Rape in Chicago Dawn Rae Flood, 2012-06-15 Spanning a period of four tumultuous decades from the mid 1930s through the mid 1970s this study reassesses the ways in which Chicagoans negotiated the extraordinary challenges of rape as either victims or accused perpetrators Drawing on extensive trial testimony government reports and media coverage Dawn Rae Flood examines how individual men and women particularly African Americans understood and challenged rape myths and claimed their right to be protected as American citizens protected by the State against violence and protected from the State s prejudicial investigations and interrogations Flood shows how defense strategies evolving in concert with changes in the broader cultural and legal environment challenged assumptions about black criminality while continuing to deploy racist and sexist

stereotypes against the plaintiffs Uniquely combining legal studies medical history and personal accounts Flood pays special attention to how medical evidence was considered in rape cases and how victim patients were treated by hospital personnel She also analyzes medical testimony in modern rape trials tracing the evolution of contemporary rape kit procedures as shaped by legal requirements trial strategies feminist reform efforts and women s experiences **The Bully Society** Jessie Klein, 2012-03-06
