Highland Wolf Pact Compromising Positions A Scottish Werewolf Shifter Romance:

Highland Wolf Pact Selena Kitt, 2014-10-06 Sibyl Blackthorne isn't afraid of anything except maybe being sold into marriage to a man she doesn't love. A man she's never even met. A man who by reputation is one of Scotland's cruelest lairds in over a century. But what choice does she have with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant or even death would be preferable to a future with such a despicable man and makes plans to run away. On an organized hunt for wolves or as the Scots call them, wulvers, Sibyl escapes her fiancé's clutches only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man who only speaks to her in Gaelic and calls himself Raife simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he at last marks her as his own, she discovers that only one wild heart can claim another.

Highland Wolf Pact Compromising Positions Selena Kitt, 2015-06-06 Kirstin has never been out of her den before, but now one of her pack is seriously injured, he may even be dying. Desperate to help, she races straight to Middle March, the borderland between Scotland and England, and falls right into a dangerous trap. As the new laird of his clan, Donal MacFalon, has made it clear that he, unlike his brother before him, will honor the wolf pact, an agreement their father made with England's King Henry VII to protect Scotland's wolf shifters, the wulvers, who most believe to be only the stuff of legend. Wulvers, though, are very real. Kirstin knows. She's one of them. When Donal MacFalon turns those steel blue-grey eyes her way, she realizes she's facing something far more dangerous in this man than any trap. This man already promised to another, has a power over her no man or wulver has ever had before. When he opens his castle and his heart to her, she finds herself willing to risk not only her own heart but everything she's ever known just to be with him. Kirstin will find herself caught between the man she loves and his intended bride, between her pack and a human world frightened of her kind, between nations whose hatred runs deep. Kirstin will be forced to make choices no woman or wulver should ever have to make. All for one man whose love goes beyond borders, nations, or legends whose heart beats only for her.
