Modern Dervishes in Indonesia Salih Yucel,2023-09-21 This book encompasses a wide range of human experiences delving into mystical encounters dreams altruism hard work teamwork cultural misunderstandings amusing anecdotes misconceptions success failure happiness and poignant tales of four Hizmet affiliated high school graduates and teachers in Indonesia They sowed the seeds of successful education and eventually departed from Indonesia Contrary to the claims of some scholars they do not belong to a Sufi Order nor can they be classified as traditionalists although they exhibit

characteristics that may align with both. Instead, they can be aptly described as modern dervishes. The book's title *The Stories of Modern Dervishes in Indonesia* Tolong is derived from the true account of three orphan students whom modern dervishes rescued from the aftermath of a tsunami. If I were to read these stories without conducting on-site research, it would be difficult to believe them. Readers will undoubtedly find this book engrossing and captivating. **The Prophet's Faithful Friend** R. S. Dilegge, 2018-04-09. Part of the Small Wars Journal (SWJ) Anthology, *Hammer of the Caliphate* is a continuation of previous works on the Islamic State, Al-Qaeda, and their affiliate groups. The anthology title is a play on words related to the fifteenth-century treatise *Malleus Maleficarum* (Hammer of the Witches). Given the Islamic State's predisposition for engaging in heinous acts and barbaric atrocities in the name of their apocalyptic god, one derived from a perverted version of what mainstream Islam is today, declaring IS anathema to our modern world seems only fitting. The work represents the fifth volume in the SWJ series of radical Islamist-focused anthologies.
