*The Clintons' War on Women* Roger Stone, Robert Morrow, 2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing explosive new information he s learned since the hardcover s release **Hillary (and Bill).** Victor Thorn, 2008 Now the most comprehensive collection of hard facts ever compiled on Hillary and Bill Clinton is available from AMERICAN FREE PRESS Part One of the Clinton Trilogy In addition to naming names dates times and places and mapping their meteoric rise to the Oval Office hard driving investigative journalist Victor Thorn paints an intimate yet disturbing portrait of this infamous political couple by getting inside their heads revealing their motives and disclosing their darkest secrets This is more than just another book on Hillary and Bill Quite the contrary This is the most detailed referenced book on the shenanigans of both Bill and Hillary And if you thought you knew Hillary Clinton you were wrong This is a lively and well written even riveting book covering a sordid but still fascinating record a dual biography that also serves uniquely as a secret history of many events of recent times There s no question but that this is the only accurate and complete expose of this dangerous team Referenced with nearly 1 400 footnotes a complete index and a bibliography with over 200 sources HILLARY AND BILL is the best all around reference source on Hillary and Bill today And remember it s just the first in an exciting trilogy Warmonger Jeremy Kuzmarov, 2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband s support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton s Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton s foreign policy was just as bad as his domestic policy Cultivating an

image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent

[America Hijacked](#) S M Carlson,2019-02-03 All throughout recorded history politicians have taken bribes from outside parties to push certain agendas either profiting themselves or helping others profit through illicit and illegal actions We know this common practice is wrong and yet we all tend to look the other way Before examining these actions should we look at the commonalities Just how did Deep State actors from LBJ to Obama hijack the country that we love How did the Clinton Foundation and the Bush Foundation change the course of American domestic politics and international policy On the surface it may seem as though the course of history has diverted and deviated from the path throughout our time as a nation but who is leading the ship Who is in control And more importantly why What are their motives As ordinary Americans we are the ones who suffer from the repercussions Let s take a deeper look into the Clintons the Bushes Kennedy Johnson and even Donald Trump himself to see just how the Deep State has impacted the world we love and the country we love Motivated by money and power Deep State actors grasped control of this country long ago and since the election of Donald Trump they ve been grabbing and grasping for any last shred of power that they once held over us Understanding how these actors received their power is critical in understanding why they abused it Through [America Hijacked](#) we ll take a critical look into the policies and practices of nearly every administration up until modern day to see just how the Deep State came to be and how they hijacked America for their own personal benefit So where does the

issue lie It lies in the fact that when our elected representatives use their status and political power to cover up crimes and purposefully make conscious unlawful decisions that impact the lives of ordinary Americans they hijack our country our principles and everything that we stand for all for the profit and political gains of the few This is the Deep State **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

**Servitors of Empire** Darrell Hamamoto,2014-08-01 Forcing a fundamental rethinking of the Asian American elite many of whom have attained top positions in business government academia sciences and the arts this book will be certain to generate a good deal of controversy and honest discussion regarding the role Asian Americans will play in the new century as China and India loom ever larger in the world economic system Not since the large scale infusion of scientists and engineers fleeing Nazi Germany has there been such a mass importation of intellectual labor from U S client states in Asia One of the specialized tasks assigned to this group is to build the technetronic infrastructure for the new world order command and control system Servitors of Empire is not intended to fan the flames of suspicion and paranoia aimed at Asian Americans but serves to illuminate the way in which highly trained knowledge workers are being employed to bring sovereign nations such as the United States under centralized rule made possible through advances in bioscience IT engineering and global finance

Anthony Livingston Hall, 2017-04-04 ANTHONY L HALL takes aim at the global events of 2016 with a unique and refreshing perspective Here are some topics in this twelfth volume of his writings Hillary Calling Half of Trump's Supporters a Basket of Deplorables Hillary was only half right But the most troubling thing is not how deplorable they are it's how willing they are to elect an even more deplorable man as president of the United States The latter is what I find incomprehensible unforgivable Brexit The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains After all Britain planted the seeds of disintegration years ago when it began negotiating all kinds of opt outs from EU legislation and treaties Brazilians Protesting Cost of Rio Olympics Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks After all the debt hangover from those Games not only triggered the EU financial crisis of 2010 but austerity measures to service that debt have many once proud middle class Greeks now living like favela dwelling Brazilians Report on College Coaches Raking in Millions These salaries only validate my longstanding contention that college coaches are using the free labor of student athletes to live like plantation owners The only precedent for this is the Founding Fathers many of whom were in fact plantation owners preaching about all men being created equal while owning slaves VP Elect Pence Hailing Trump for Accusing the FBI of Corruption Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trump's ego affecting that constipated countenance of sincerity as he does so J K Rowling merchandising Harry Potter like Mickey Mouse I admired her because she helped millions of kids discover the love of reading But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkie's addiction **The Lyin Kings** Irene Petteice, 2014-09-15 The Lyin
