Bond,2015-07-01 Who exactly is Hillary Clinton Because she announced her candidacy for President in April 2015 and thus could well become the first woman ever to be U S President the question becomes all the more relevant and important Fortunately woman's biographer Alma H Bond a Manhattan psychoanalyst for 37 years has read just about everything ever published about the former First Lady U S Senator and Secretary of State and has written a fascinating highly readable and intimate book burning through a great many myths about HRC What were her parents like and what lasting effects did they have on her How did her upbringing make her the person she became How does she deal with her womanizing husband and why will she never divorce him What role does religion play in her life and in her approach to policy As a public official what are her strengths and weaknesses When she served as First Lady what was she truly trying to accomplish and did she succeed As a U S senator why was she so effective in working with members of the opposite party As Secretary of State how well did she get along with President Barack Obama In what ways if any was her tenure as Secretary of State different from that of all her predecessors To what extent is

she a hawk when it comes to foreign policy Was she truly at fault in the tragedy known as Benghazi In her mind how crucial is it to advance the cause of women around the world These and many other questions are answered clearly in Dr Bond's highly readable and remarkably intimate look at one of the most celebrated admired and despised women in the world More important after readers turn the final page they'll know Hillary better than they know practically anyone else **Hillary Clinton** Joan Stoltman,2017-12-15 Even young readers were likely saturated with exposure to Hillary Clinton over the course of the 2016 presidential election But do they really know who she is and what she has accomplished This volume bridges the gap between current news stories and what elementary readers really know about the first female presidential candidate By illuminating the life and story of this powerhouse of politics young readers can learn and be inspired by a story of perseverance service to others and commitment to beliefs With a vivid age appropriate narrative this much needed volume is sure to be right at home in any library or classroom **Hillary Rodham Clinton** Jill Egan,2011 As one of the most powerful women in politics Hillary Clinton is known throughout the world For eight years she was the first lady of the United States In 2000 she was elected to the U S Senate becoming the first spouse of a former U S president to embark on a political career of her own Today she continues to serve her country as the U S secretary of state **Hillary Clinton** Sally Lee,2010-12 Simple text and photographs describe the life of Hillary Clinton Provided by publisher **Bill and Hillary Clinton** Jeff Mapua,2014-07-15 Few political figures are as polarizing as Bill and Hillary Clinton This power couple has generated fiercely mixed reactions since their first appearance on the political stage A new Clinton era may be dawning as Hillary again tests the waters for a presidential bid Uncovering all the layers of myth rumor spin and talk radio takedowns this examination is clear eyed and calm objectively reviewing the origins rise near fall and reemergence of the world's most influential couple It is a fascinating tale of hard work ambition idealism and calculation political might and human weakness and ultimately the enduring strength of family Almost Madam President Nichola D.
