Himself A Civil War Veterans Struggles With Rebels Brits And Devils:

Himself William Donohue,2014-09 In this historical fiction account of his great grandfather s and his great uncle s lives William Donohue recreates Patrick and John Donohue s struggles growing up in Buffalo NY as orphans and eventually serving in the Union Army during America s Civil War **Portland Transcript** ,1863 Reckoning with Rebellion Aaron Sheehan-Dean,2020-04-29 An innovative global history of the American Civil War Reckoning with Rebellion compares and contrasts the American experience with other civil and national conflicts that happened at nearly the same time the Indian Rebellion of 1857 the Polish Insurrection of 1863 and China s Taiping Rebellion Aaron Sheehan Dean identifies surprising new connections between these historical moments across three continents Sheehan Dean shows that insurgents around the globe often relied on irregular warfare and were labeled as criminals mutineers or rebels by the dominant powers He traces commonalities between the United States British Russian and Chinese empires all large and ambitious states willing to use violence to maintain their authority These powers were also able to control how these conflicts were described affecting the way foreigners perceived them and whether they decided to intercede While the stories of these conflicts are now told separately Sheehan Dean argues the participants understood them in relation to each other When Union officials condemned secession they pointed to the violence unleashed by the Indian Rebellion When Confederates denounced Abraham Lincoln as a tyrant they did so by comparing him to Tsar Alexander II Sheehan Dean demonstrates that the causes and issues of the Civil War were also global problems revealing the important paradigms at work in the age of nineteenth century nation building A volume in the series Frontiers of the American South edited by William A Link *A Complete History of Illinois from 1673 to 1884* Alexander Davidson,Bernard Stuvé,1884 **Goodwin's Weekly** ,1917 America at War Macmillan Library Reference Staff,Macmillan Publishing,1998 Presents America s wartime history from the Revolution to the Persian Gulf Includes biographies of military personnel and information on treaties **Naval History** ,2013 The Saturday Review of Politics, Literature, Science and Art ,1882 **50 Years of J.W.V.** Jewish War Veterans of the United States of America,1946 **The Next One Is for You** Ali Watkins,2025-03-11 From New York Times reporter and Pulitzer finalist Ali Watkins the long buried story of how a group of Philadelphia gunrunners armed the IRA at the height of the Troubles a true crime saga that illuminates Irish America s central role in the conflict and its legacy Northern Ireland 1975 Violence has erupted on the streets of Belfast After years as a sleepy guerilla army the IRA is clashing with Loyalist gangs and heavily armed British soldiers But the Troubles have spilled beyond the small island An ocean away in the heart of Philadelphia s Irish enclave a teenage girl finds a letter in her mailbox Inside is a bullet and the message is clear The next one is for you or your family As celebrated New York Times reporter Ali Watkins reveals in this exquisitely reported nonfiction thriller the conflict in Northern Ireland might have gone very differently had it not been for a small ragtag band of carpenters family men and fugitives in the United States The Philadelphia Five as they came to be known supplied the Irish Republican Army at

its moment of greatest need bolstering the fight for a united Ireland but fueling the Troubles at an untold cost This small group of Irish nationalists smuggled hundreds of rifles rocket launchers explosives and armor piercing bullets across the Atlantic Ocean and into Northern Ireland Whether they were skimming money from innocuous seeming charities coolly slipping weapons into hidden compartments of vans and houses or scouring local graveyards for the names of dead Irishmen to use on federal firearm forms the gunrunners approached their mission to unite Ireland under one flag by any means necessary with ruthless poise even as European and American investigators closed in members of their own movement began to turn on them and bodies stacked up on all sides A gripping tale of crime rebellion and the hazy line between them The Next One Is for You is the definitive account of America's hand in the Troubles a conflict whose resonance is still felt today in the United States and Ireland alike
